Prose *to* Panels

IN THIS ISSUE: *PROSE TO PANELS*

PREVIEWS once again celebrates mainstream authors whose works have come to Comic Shops in the form of serialized comics or graphic novels, either based on their previously published novels or new material written especially for the comics. Whether it be an adaptation or all-new material, these writers are blurring the line between *PROSE and PANEL*, and bring with them fresh new ideas and characters for comics readers everywhere! In honor of this month's PROSE to PANELS event, we reached out to several authors whose works have made the transition from prose to comics, and you can find these mini-interviews on page 248!

I ONLY READ WHEN I FLY

That statement above, is more or less the truth about me; I don't seem to ever take the time to sit down and read a book when I'm at home. I guess there are just too many distractions… video games, 200+ channels of TV, hanging out with friends, going to movies. Typically, I read two books anytime I fly to California — one on the way out, and one on the way back. This year, when I flew back to California for Comic Con, and to visit my family and my good buddy Chris Cade (who is on the mend after his stroke in October of last year), I took two books with me: **THE PERDITION SCORE** by Richard Kadrey, and **THE GIRL WITH ALL THE GIFTS** by M.R. Carey.

> **"As for my reading habits... maybe I should just get an airline seat for my home? Or better yet, maybe I should just try harder to get some reading done?"**

THE PERDITION SCORE is the eighth book in Richard Kadrey's "Sandman Slim" series, an urban fantasy series set in a modern Los Angeles populated by magical cults, angels, demons, and assorted other "lurkers". Sandman Slim is the nickname of James Stark, a former member of a Sub Rosa magical family who was betrayed and sent to Hell. While "downtown", Stark spent countless days (years?) honing his skills in mayhem and dismemberment in Hell's arena. Eventually he attracted the attention of one of Hell's arch-demons, and became his personal assassin, eventually killing the demon himself and making his escape back to Earth… where set about his bloody revenge for himself and his dead girlfriend. Then there were the other things to deal with: zombies, vampires, Old Gods, and God himself, fractured into multiple personalities! This is the kind of stuff that would lend itself well to any medium… TV, Movies, or Comics. I hear tell some news is coming soon to that regard.

On my return trip, I read **THE GIRL WITH ALL THE GIFTS**. Set in a near-future England, it's a difficult book to describe without ruining the reveal… so I'll just let the book's own description set the scene…

Melanie is a very special girl. Dr Caldwell calls her 'our little genius'. Every morning, Melanie waits in her cell to be collected for class. When they come for her, Sergeant keeps his gun pointing at her while two of his people strap her into the wheelchair. She thinks they don't like her. She jokes that she won't bite, but they don't laugh. Melanie loves school. She loves learning about spelling and sums and the world outside the classroom and the children's cells. She tells her favourite teacher all the things she'll do when she grows up. Melanie doesn't know why this makes Miss Justineau look sad.

What follows is a great adventure story, with moments of gritty action, deep emotion, and some familiar-yet-original settings. This one has already been adapted to the screen, and will hit movie theaters this fall. I can't wait to see it. And the one thing I didn't mention is that its author, M.R. Carey, is actually the pen name of Mike Carey… who has written a ton of comics including runs on *X-Men*, *Ultimate Fantastic Four*, *The Unwritten*, *Lucifer*, and more.

Mike has taken things from Panels to Prose… but it doesn't matter which format direction the creator is headed, we all still benefit from their great works! And we have plenty of great reads this month (along with all the cool merchandise we all love) in ***PREVIEWS***!

Prose *to* Panels

As for *my* reading habits… maybe I should just get an airline seat for my home? Or better yet, maybe I should just try harder to get some reading done?

Chair it is!

And oh yeah, have a Happy Halloween!

VARIANT PLAY ARTS 改 KAI
ACTION FIGURE

BATMAN™: ROGUES GALLERY – TWO-FACE –
Designed by HITOSHI KONDO

Release: DEC 2016   SRP $199.99   STL023028

The DC Comics Variant Play Arts KAI line announces its latest collection: the BATMAN™: Rogues Gallery series! This mashup of Batman's classic silhouette with the beloved villains of his Rogues Gallery results in a never-before-seen design collaboration - East meets West. Good meets Evil.

Our debut Variant Play Arts KAI for this line is TWO-FACE. The right half of his body resembles the classic BATMAN design, but the armor and suit are slightly melted and warped. On the left half, however, the color scheme and form are totally transformed, resulting in a TWO-FACE design applied to a BATMAN outline. A charred, scorched paint effect has been carefully reproduced, along with eyes made with transparent parts for a haunting expression, set in a visage of half-melted flesh.

The figure includes an interchangeable grinning face and hand parts, so that TWO-FACE can be posed doing his signature coin toss. This figure's novel design hopes to give the best of both worlds, simultaneously heads and tails, for an unlikely but delightfully evil TWO-FACE action figure.

Spec: PVC Action Figure	Figure Size:	UPC Code:
Package: Window Box	W 8.7" x D 6.3" x H 11.4"	6 62248 81751 4

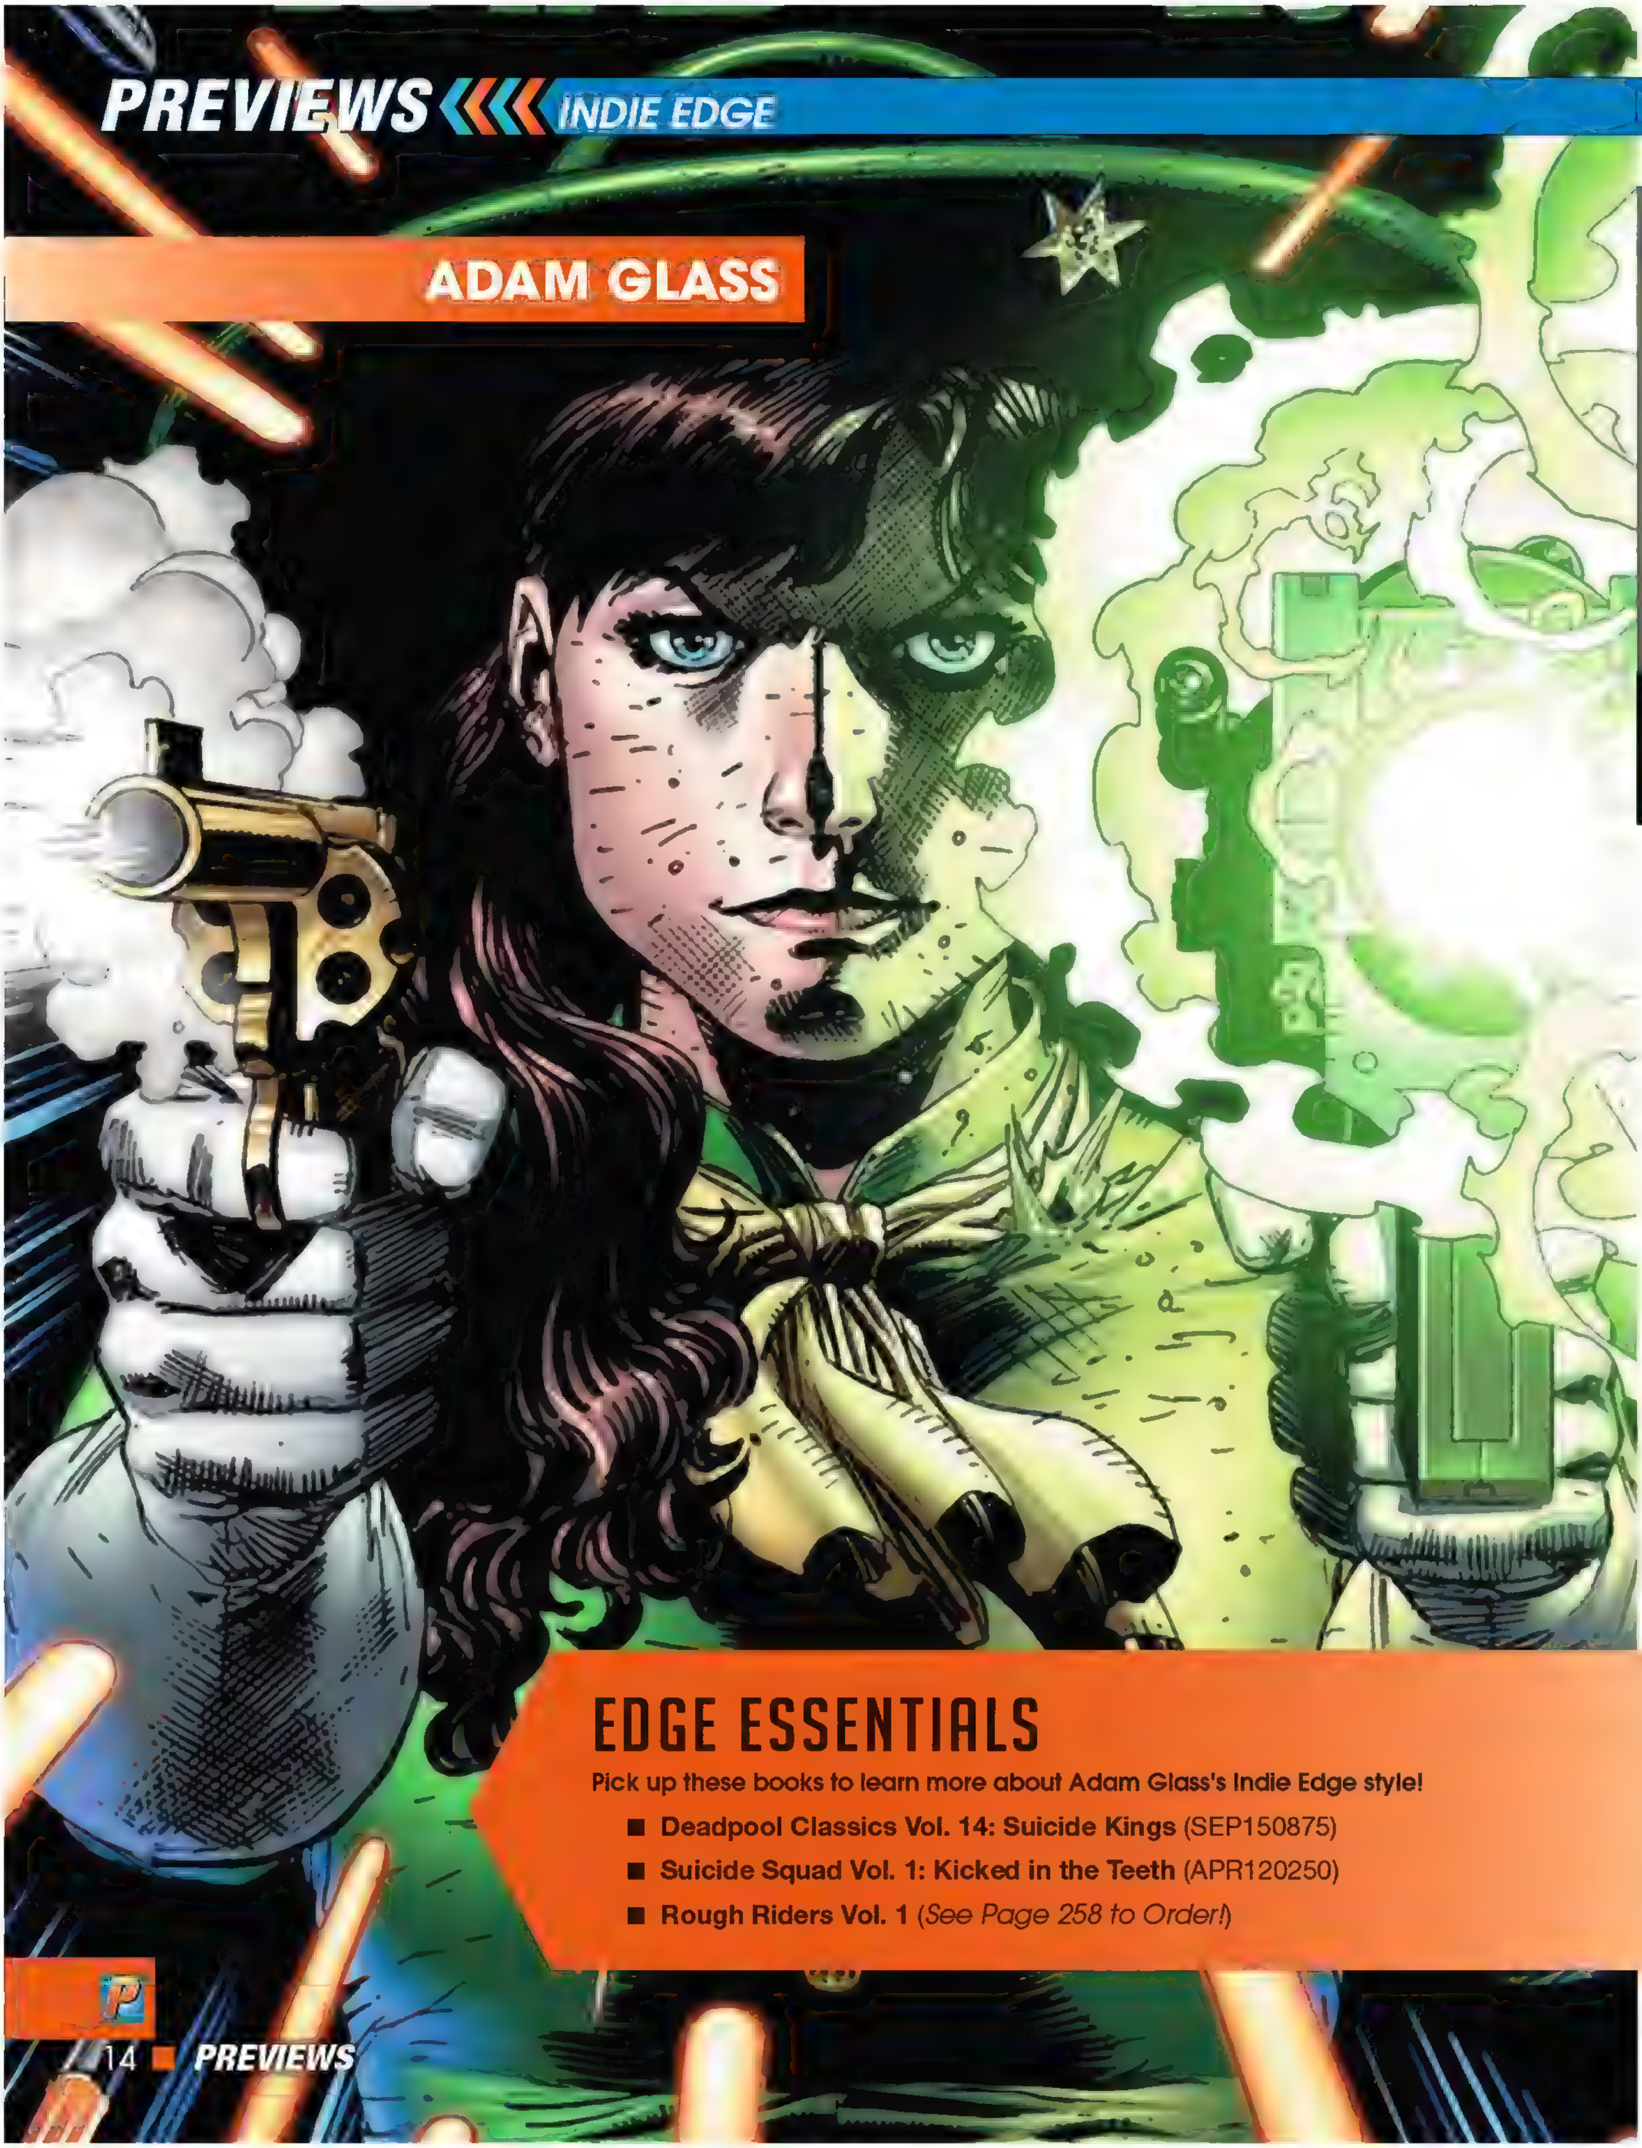
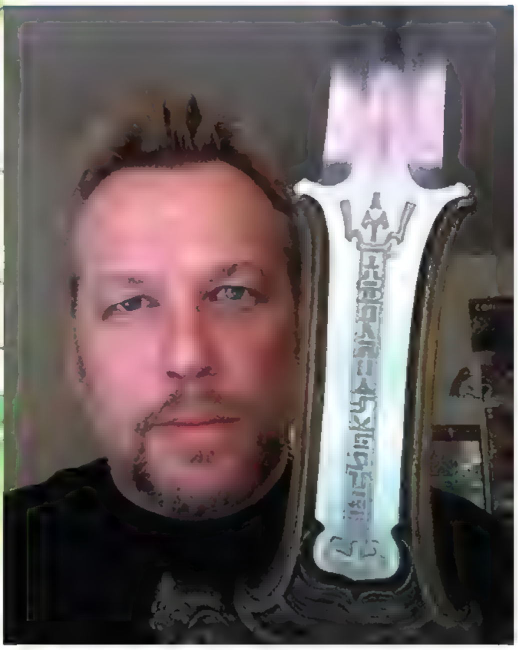
ADAM GLASS



EDGE ESSENTIALS

Pick up these books to learn more about Adam Glass's Indie Edge style!

- **Deadpool Classics Vol. 14: Suicide Kings** (SEP150875)
- **Suicide Squad Vol. 1: Kicked in the Teeth** (APR120250)
- **Rough Riders Vol. 1** (*See Page 258 to Order!*)



Please tell us a bit about yourself!

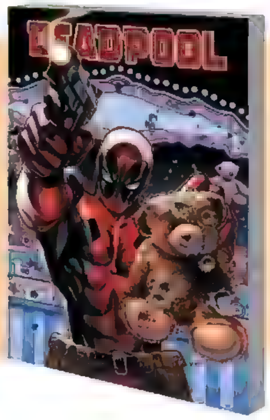
Though NYC will always be home, Adam resides in Los Angeles and is a TV Writer/ Executive Producer of such shows as *Supernatural, Cold Case* and currently *Criminal Minds: Beyond Borders* on CBS. When Adam is not writing for TV or films, he's writing graphic novels. Some of these titles include: Marvel Comics' *Deadpool: Suicide Kings* (*Deadpool Classics Vol.* 14 / SEP150875) and DC Comics' *Suicide Squad* (*Vol. 1: Kicked in the Teeth* / APR120250) — all of which were *NY Times* bestsellers. Other books Adam has written or co-written for Marvel are *Deadpool: Pulp, Luke Cage: Noir, Deadpool Team-Up* and *Luke Cage: Origins*. And for DC, *JLA Annual* and the *Flashpoint* series, *Legion of Doom*. Most recently, Adam finished an original 6-part graphic novel for Oni Press called *Brik* (Issue #1 / MAY161667), about a boy and his Golem, and *Rough Riders* for Aftershock Comics, a reimaging of Teddy Roosevelt's involvement in the Spanish American War, which is being collected into a trade paperback this month (See Page 258).

What are your favorite projects you've contributed to over the past decade?

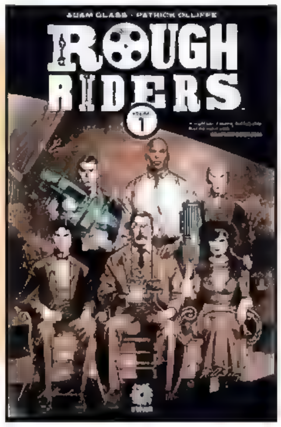
Wow, I've been very fortunate to be part of some pretty cool stuff. Putting Harley Quinn, who I love, into Suicide Squad is top of my list. But I loved doing *Luke Cage: Noir* and Deadpool: Suicide Kings also.

What are you currently working on?

I'm working on the second chapter of my AftershockComics title *Rough Riders*. This book is a dream come true for me, I so love writing it! At the same time, I'm also writing/executive producing and co-running the *Criminal Minds* spin-off series on CBS called *Beyond Borders*.



THE NEW 52!
SUICIDE SQUAD



What fun titles are you reading?

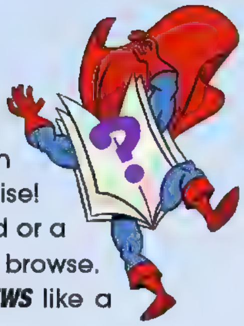
Saga
(Vol. 1 Dlx. HC / SEP140591):
Brian K. Vaughan walks the thin line between reality and absolute madness in *Saga*. I remember watching *Star Wars* as a nefarious youth wondering what the *their* drugs, crime and murders looked like... *Street Star Wars*, if you will. *Saga* does this beautifully, at times creating moments of complete insanity while counteracting it with what I consider to be the best family story currently in comic books.

Alters (*See Page 261*):
My sixteen-year-old daughter uses the word "Fluid" a lot to describe her friend's sexuality and overall personality, and that is exactly what I love about *Alters*. It's Fluid and has the familiar foundation of an *X-Men* book, but the fresh twist is that it's about *real* people, in a *real* world, dealing with *real* problems. It's a book that feels more about *now* than anything else out there. It's the book I didn't know I needed.

The Bunker
(Vol. 1 / MAR141297):
Joshua Fialkov made time travel badass. Through taking standard time travel tropes and placing them in an apocalypse / horror setting, we feel as if we're living in a new *Twilight Zone* episode. Situation trumps character and makes for an eerie read. With ample twists and looming mass extinction, one would imagine *The Bunker* to be a hard and unsympathetic read, which in some senses it is. But its bleak creativity makes it hard to put down!

USER'S GUIDE

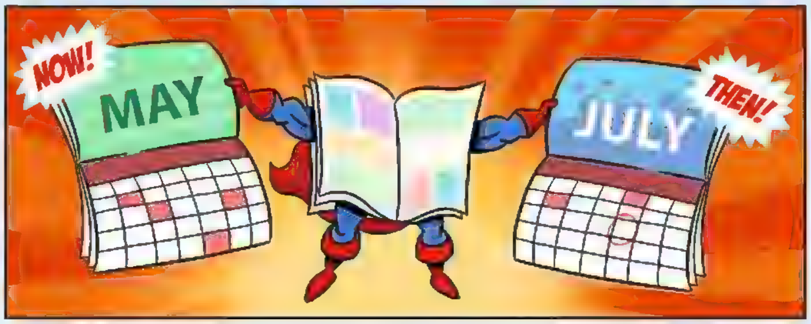
Learn How to Use *PREVIEWS* to Order From Your Comic Shop!



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later** (or more). For example, if you found a comic you wanted in the May issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

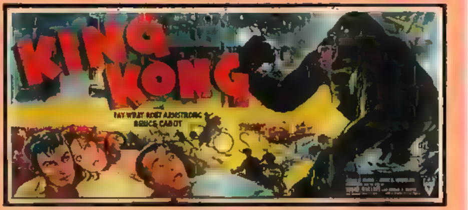
eMoviePoster August Major Auction Closes with $311K



eMoviePoster closed their August Major Auction with $311,660 in total sales. The top 5 sales were *King Kong* (1933) 24-sheet for $16,000, *Snow White & the Seven Dwarfs* (1938) one-sheet for $8,751, *Dr. Jekyll & Mr. Hyde* 1880s stage poster for $5,261, *Snow White & the Seven Dwarfs* (1938) insert for $4,750, and *Dirty Harry* (1971) six-sheet for $4,600.

Dennis the (Lovable) Menace

Hank Ketcham created, wrote, and illustrated the gag cartoon series *Dennis the Menace*, which debuted on March 12, 1951 in 16 newspapers. The inspiration for *Dennis* actually came from Ketcham's personal experience with his son. One evening, after refusing to take a nap and messing up his bedroom, Ketcham's then-wife exclaimed "Your son is a menace!" and thus the legend was born. In fact, the entire Mitchell family is modeled after Ketcham's own family. It just goes to show, having a menace for a child can be a blessing in disguise.

October 2016 | Edited By: **Allyn Gibson** | editor@*PREVIEWS*world.com

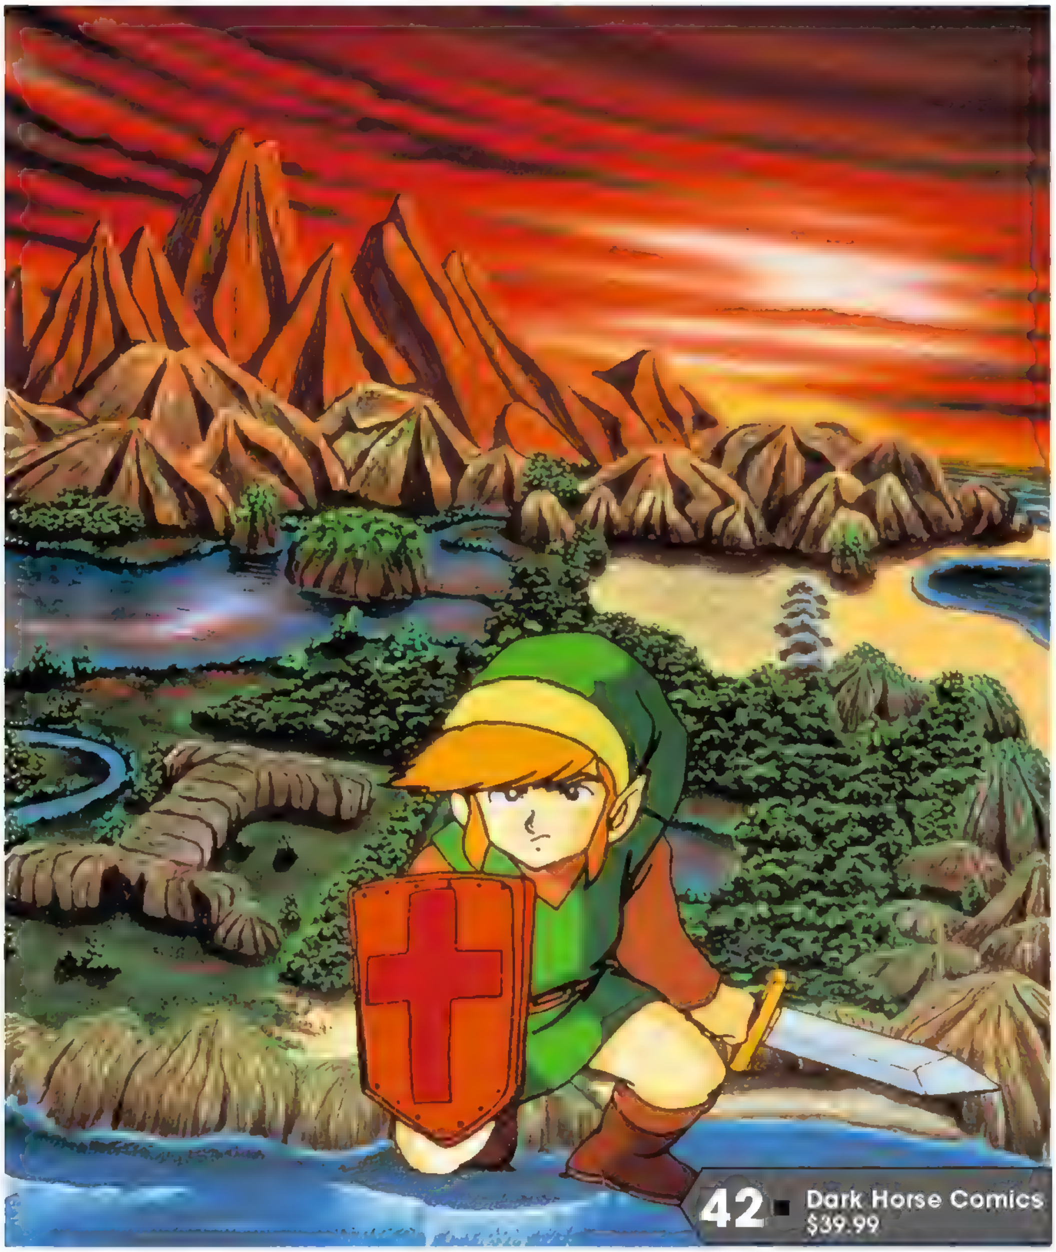
X-MEN AND INHUMANS DO BATTLE IN MARVEL'S *IVX*

The days of the mutants are numbered. The detonation of the Terrigen Bomb had three immediate effects — the sterilization of mutants, the prevention of the triggering of the X-gene, and the creation of millions of new Inhumans. The recent revelation that the Terrigen Mists will destroy all mutantkind within weeks escalates the crisis facing homo superior to an extinction-level event. This sets the stage for the Marvel Universe's next big event, the battle between the Inhumans and the X-Men in Charles Soule, Jeff Lemire, and Leinil Francis Yu's *IVX* this December!

Long secretive and secluded, the Inhumans kept themselves removed from humanity until recent events forced them to take a more active role in humanity's affairs. Long-feared by humanity for their mutant powers and sometimes freakish appearance, the X-Men have defended and championed those who have feared and despised them the most. Facing their final days due to a man-made environmental catastrophe that is rendering the Earth inhabitable to them, some mutants lash out at those they blame for the crisis — the Inhumans — because they would rather go out fighting for survival than meekly accept their fate. With the clock ticking toward Armageddon, will this be the last stand of the X-Men and Earth's mutants, or can a solution be found in time that will allow mutants and Inhumans to coexist in peace?

Charles Soule, the writer of *Uncanny Inhumans*, and Jeff Lemire, the writer of *Extraordinary X-Men*, join forces with artist Leinil Francis Yu for a story that will forever alter the status quo of the mutants, the Inhumans, and the Marvel Universe as a whole. Just as today the world wrestles with climate change and man-made environmental disasters, the Marvel Universe must grapple with a disaster of its own making, one that will shape the future of a multitude of Marvel characters!

To whom will the future belong, the mutants or the Inhumans? The destiny of the Marvel Universe is at stake this winter as the mutant/Inhuman war explodes in Marvel Comics' *IVX!*



42 ■ Dark Horse Comics $39.99

EXPLORE THE ARTISTRY OF NINTENDO'S *LEGEND OF ZELDA* GAMES

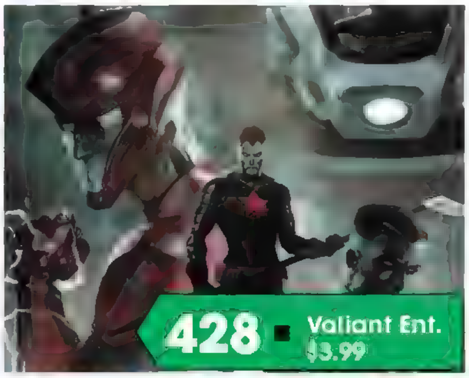
For over twenty-five years, Nintendo's *Legend of Zelda* series has been one of the most popular fantasy video game series on the market. From the original 8-bit game to handheld games, from CD-I games to the latest cel-shaded games, the *Zelda* games have boasted some of the most imaginative and evocative designs in the market.

Dark Horse Comics' new book, *The Legend of Zelda: Art & Artifacts* explores the artistic history of the franchise. A companion to the best-selling *The Legend of Zelda: Hyrule Historia, Art & Artifacts* takes readers behind the scenes of the creation of the games, offering a revealing look at how Nintendo's artists imagined and illustrated the worlds Link and his friends have explored in the best-selling series. An essential work for every Nintendo fan, *The Legend of Zelda: Art & Artifacts* promises an unparalleled look at a seminal video game franchise!

322 ■ Dynamite Ent. $3.99

TWO ICONS OF THE 70S MEET IN DYNAMITE'S NEW CROSSOVER

Wonder Woman and *The Bionic Woman* were two of the late '70s top action-adventure television series, and this winter they meet in Dynamite Entertainment's new crossover with DC Comics, *Wonder Woman '77/The Bionic Woman!*



428 ■ Valiant Ent. $3.99

HISTORY IS SHATTERED IN VALIANT'S *DIVINITY III: STALINVERSE*

History itself is rewritten in the aftermath of *Divinity II*, leading to a world ruled by the Soviet Union, and only Ninjak remembers the truth in Valiant's new event, *Divinity III: Stalinverse!*

393 ■ Regnery Pub. $19.99

GO INSIDE THE CLINTON FOUNDATION IN *CLINTON CASH*

In time for the 2016 presidential election, Breitbart editor Peter Schweizer's investigation into the Clinton Foundation is adapted to comics with Chuck Dixon and Brett R. Smith's *Clinton Cash* for Regnery Publishing!

HC, 9" x 14"

For over four years, *Masters of the Universe* had its own newspaper comic strip! This story continued the tales from the Filmation cartoon and bridged the saga to the space-themed *New Adventures of He-Man* cartoon relaunch. The comic strip only ran in selected newspapers and was never reprinted, so most fans have never read it . . . until now! For the first time ever, Dark Horse brings you a collection of these strips, restored and ready for you to unleash the power!

- **Never-before-collected material in a beautiful oversized hardcover with restored art!**

MATT KINDT!

DEPT. H #9

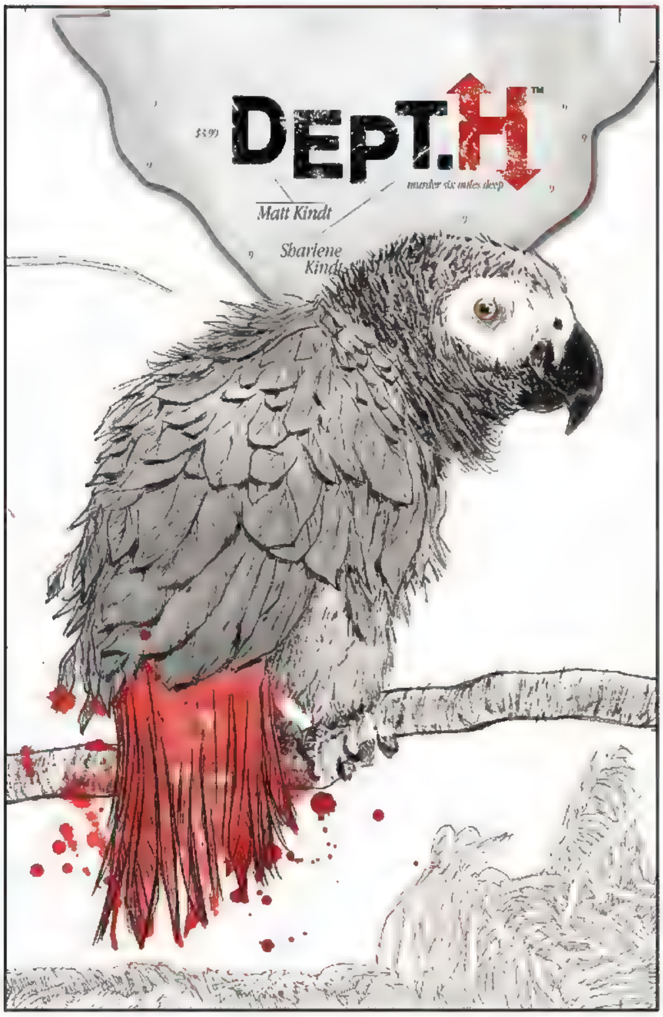
Matt Kindt (W/A/Cover) and Sharlene Kindt (C)

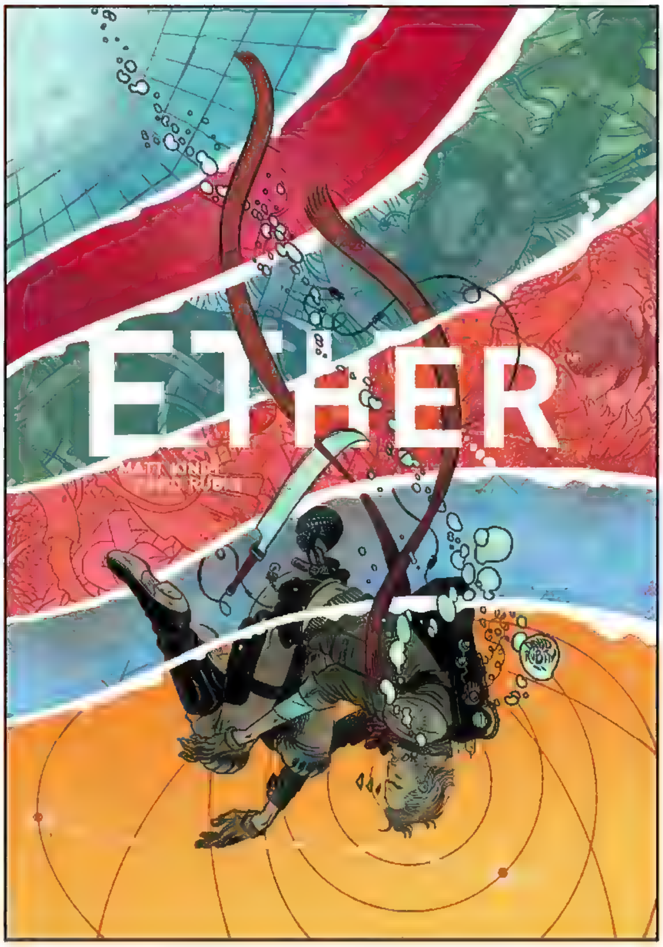
On sale Dec 21	FC, 28 pages
$3.99	Ongoing

Mia is trapped at the bottom of the ocean with her father's murderer—and they must work together to repair the flooding Dept. H base. Aaron's desperate attempt to reach the surface is their last chance at rescue, but six miles of water and the mysterious creatures that live deep in the ocean are just as dangerous as the rising water and the unknown killer inside the base.

- **Featuring content exclusive to the single issues!**

"Matt's talent is just unbelievable here. All of the mannerisms he puts into each character [tell] a larger story than the words could ever [tell alone]."
—Comic Crusaders





ETHER #2 (OF 5)

Matt Kindt (W) and David Rubín (A/Cover)

On sale Dec 21	FC, 32 pages
$3.99	Miniseries

Boone Dias believes that there's a scientific explanation for everything—even the impossible murder of the Blaze, protector of the magical realm known as the Ether. But as he gets closer to solving the mystery, he's realizing just how much he doesn't understand about the Ether. And the more time he spends in another dimension, the more his life on Earth falls apart.

- **From *New York Times* best-selling author Matt Kindt (*MIND MGMT*, *Past Aways*, *Super Spy*, *Dept. H*).**
- **Stunning artwork from David Rubín (Paul Pope's *Battling Boy*)!**

"Kindt has developed into one of the most exciting and original talents in the business."

THE GOODBYE I MAKE FEELS AWKWARD, THOUGH MOLLY SAYS NOTHING. WHETHER IT WAS THE WINE, OR THE KNOCKS I TOOK FROM THOSE CYBORGS, SOMETHING HAS MY HEAD SPINNING.
I'D HOPED THE WALK HOME WOULD HELP.
INSTEAD, IT'S THE SUDDEN SOUND OF GUNFIRE THAT FINALLY CLEARS MY HEAD.
THE SAME HITTERS FROM LAST NIGHT. AND THIS TIME ONLY BLOCKS FROM MY FRONT DOOR.
NO WAY THIS IS COINCIDENCE. I CHOOSE TO TAKE IT VERY PERSONALLY.
THIS PEA-SHOOTER WON'T BE EFFECTIVE AGAINST CYBORGS FROM ANY DISTANCE. I'LL NEED TO GET CLOSE.

JUSTICE LEAGUE VS. SUICIDE SQUAD #1-2

Written by JOSHUA WILLIAMSON • Art and cover by JASON FABOK • Variant covers by TBD

Retailers: These issues will ship with three covers each. Please see the order form for details.

The first major event storyline of DC's Rebirth era begins with a day Amanda Waller always knew would come: the Justice League discovers the existence of the Suicide Squad! This government-sponsored black-ops team of super-villains with bombs implanted in their brains is obviously a deal-breaker for Earth's paragons of truth and justice! But you can bet that the Wall and her Task Force X won't go down without the fight to end all fights as this weekly series gets underway!

"THE BLACK VAULT" part eight! Harley Quinn goes sane! The prisoners and staff of Belle Reve Penitentiary have succumbed to the devastating effects of General Zod's Black Vault, rendering them all insane. But it has the opposite effect on Harley, who must fight her way through a crazed Suicide Squad—with the help of the Enchantress—to stop Zod from waking and conquering the world. No pressure, right? And in a bonus backup story, learn how super villains are conscripted into the Suicide Squad! The unlucky Killer Frost is about to find out when she arrives for her first day at Belle Reve. Her story continues from this month's single issue of SUICIDE SQUAD directly into JUSTICE LEAGUE VS. SUICIDE SQUAD #1!

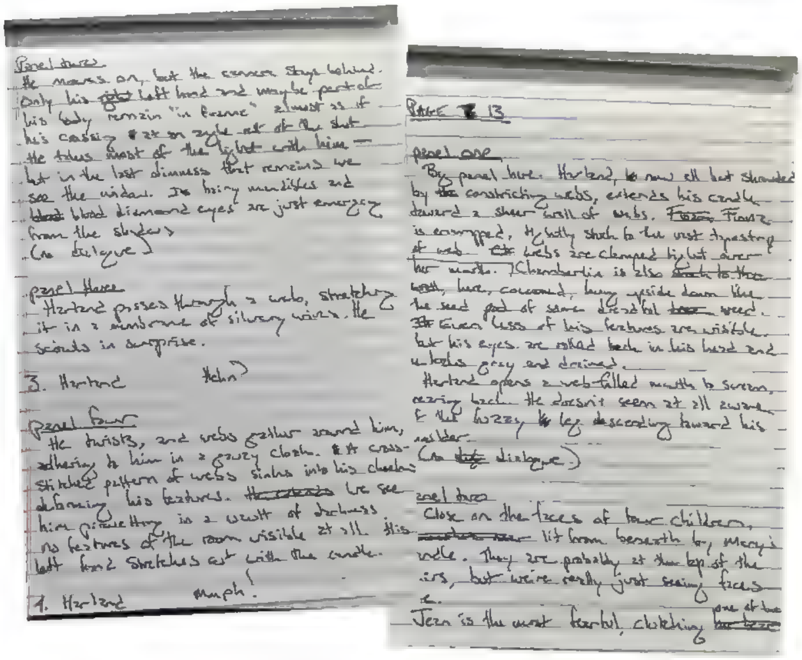
HC



Panel two
He moves on, but the camera stays behind. Only his ~~right~~ left hand and maybe part of his body remain "in frame" almost as if he's casting ~~#~~ at an angle out of the shot. He takes most of the light with him — but in the last dimness that remains we see the widow. Its hairy mandibles and ~~black~~ blood diamond eyes are just emerging from the shadows.
(no dialogue)

panel three
Harland passes through a web, stretching it in a membrane of silvery wires. He sounds in surprise.

3. Harland Hehn?

Panel four
He twists, and webs gather around him, adhering to him in a gauzy cloth. ~~# It~~ cross-stitched pattern of webs sinks into his cheeks deforming his features. ~~[illegible]~~ We see him silhouetted in a wealth of darkness. no features of the room visible at all. His left hand stretches out with the candle.

4. Harland Mmph!

PAGE ~~#~~ 13

panel one
By panel here, Harland, by now all but shrouded by ~~the~~ constricting webs, extends his candle toward a sheer wall of webs. ~~Frozen~~ Franz is entrapped, tightly stuck to the vast tapestry of web. ~~The~~ Webs are clamped tight over her mouth. Chamberlin is also ~~stuck to the~~ wall, here, cocooned, hung upside down like the seed pod of some dreadful ~~tree~~ weed. ~~The~~ Even less of his features are visible, but his eyes are rolled back in his head and he looks grey and drained.
Harland opens a web-filled mouth to scream, rearing back. He doesn't seem at all aware of the fuzzy ~~b~~ leg descending toward his shoulder.
(no ~~dia~~ dialogue)

panel two
Close on the faces of four children, ~~[illegible]~~ lit from beneath by Mary's candle. They are probably at the top of the stairs, but we're really just seeing faces [illegible].
Jean is the most fearful, clutching one of the ~~her [illegible]~~

STAR TREK: NEW VISIONS, VOL. 4

writer/artist/cover
John Byrne

John Byrne presents all-new, feature-length tales set in the *Star Trek* The Original Series universe, done in a unique, one-of-a-kind photomontage style. In "Mister Chekov," find out what roles the navigator played aboard the *Enterprise* before his promotion to the starboard seat; in "Of Woman Born," Dr. McCoy confronts Captain Kirk with a staggering discovery–Lt. Carolyn Palamas is pregnant with the child of Apollo. Or is she?; and in "Swarm," an alien threat that numbers in the millions appears and star systems are already dying. What can the crew of the *Enterprise* do–alone?

writer/artist/cover
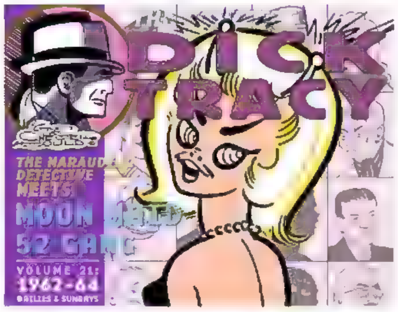
Chester Gould



DICK TRACY
THE MARAUDING DETECTIVE MEETS MOON MAID 52 GANG
VOLUME 21: 1962-64

Dick Tracy leaps into the Space Age when Diet Smith's experimental Space Coupe brings back a visitor from outer space! Meet... Moon Maid, the most outrageous character in the strip's entire history. Prior to venturing where no detective has gone before, Tracy deals with some very earthbound—and gruesomely entertaining—adventures, including the use of napalm (!) to flush out a gang of crooks from their hideout. In these strips from August 27, 1962 through April 12, 1964 Tracy mixes it up with the criminal 52 Gang—each named for a card in the poker deck—who have found a novel way to dispose of the corpses of their enemies, Junior is smitten by a girl who literally wants him dead, Sparkle Plenty falls into the hands of crazed modern artists and their ape accomplice, and (six months before it happened in the "real world") a doctor has perfected heart transplant surgery—but in this case it's on unwilling victims!

SERIES PREMIERE

Fan-favorite **JOE HARRIS** (**SNOWFALL**, **The X-Files**) and mega-talented newcomer **MEGAN HUTCHISON** deliver a new ongoing series exploring rock 'n' roll's untold mysteries and secrets!

"NATIVITY IN BLACKLIGHT," Part One

When a pattern of unsolved "groupie" murders from the 1970s resumes in present-day Los Angeles, nobody makes the connection except Jackie Mayer, a rock nerd with a strange connection to music's urban legends and lost history. Together with muckraking music writer Dorothy Buell, they soon uncover a vast conspiracy involving a legendary band, demonic possession, and sacrifices to the dark gods of rock.

BEOWULF HC

SANTIAGO GARCÍA and **DAVID RUBÍN** unite to bring forward the myth of Beowulf, which has endured for a thousand years and inspired an epic poem of the same name, became a foundational piece of English literature, and inspired generations of authors, from Tolkien to a good number of Hollywood screenwriters.

BEOWULF tells of the tale of a Scandinavian hero in lands that would become what is now Denmark and Sweden: A monster, Grendel, has arrived in the kingdom of the Danes, devouring its men and women for 12 years until Beowulf arrives to save them.

GARCÍA and **RUBÍN** faithfully follow the original story for a new version that is neither revisionist nor postmodern, but captures the tone and important details of the poem, translating its potent, epic resonance and melancholy into a contemporary comic that isn't standard swords and sorcery or heroic fantasy fare, but rather an ancient story with a modern perspective that remains respectful of the source material.

PROSE TO PANELS:

FROM THE BOOKSTORE SHELF TO COMIC STORE SHELF

PREVIEWS once again celebrates mainstream authors whose works have come to Comic Shops in the form of serialized comics or graphic novels, either based on their previously published novels or new material written especially for the comics. Whether it an adaptation or all-new material, these writers are blurring the line between *PROSE and PANEL*, and bring with them fresh new ideas and characters for comics readers everywhere! In honor of this month's PROSE to PANELS event, we reached out to several authors whose works have made the transition from prose to comics! And be sure to look elsewhere in this issue for more great Lit-to-Comics works! Just look for our *Prose to Panel* icon

PETER DAVID

AUTHOR: Award-wining *"Writer of Stuff"*... including Comics, Novels, and Television

PREVIEWS: Please tell us a bit about yourself!

Peter David: Well, I tend to bill myself as a "writer of stuff" because I've written so many stories covering so many formats that it's hard to feel pegged into just one! I've been writing comic books since the mid-1980s, and I've also had over a hundred novels published. I've won awards including the Eisner and the Julie award, and I've had a number of books on the *New York Times* Bestsellers list. Currently my regular assignments are *Spider-Man 2099* and *Stephen King's Dark Tower* at Marvel.

P: *What are the biggest challenges you faced when translating prose stories and writing habits to comic format?*

PD: Actually this one, *Artful* (Action Lab Entertainment), presented no challenge at all. I had written a screenplay version of the novel just because I thought it would be a good idea to do so just in case anyone was interested in the movie rights. So when I was approached about the notion of turning it into a comic book, I simply gave them the screenplay and said, *"Here you go."* The artist took it from there, and I think she's done a wonderful job.

STAR TREK
THE NEXT GENERATION
IMZADI
PETER DAVID

P: *What projects would you like to see make the jump from prose to comics?*

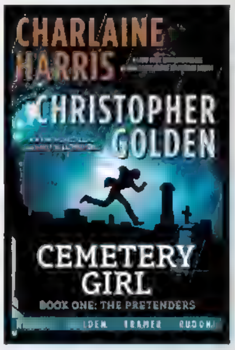
PD: I wouldn't mind seeing *Tigerheart*, and its sequel, *Fearless*, as comics. I think they'd make great projects.

CHARLAINE HARRIS

AUTHOR: *The Sookie Stackhouse Mysteries (True Blood), The Harper Connelly Mysteries*

PREVIEWS: *Please tell us a bit about yourself!*

Charlaine Harris: I am a daughter of the South, and now live in Texas. I have a husband, three adult children, two grandchildren, and some rescue dogs. My first book was published in 1981. Since then, I've written mysteries, urban fantasy, science fiction, and even a little romance. I like to keep my brain moving.

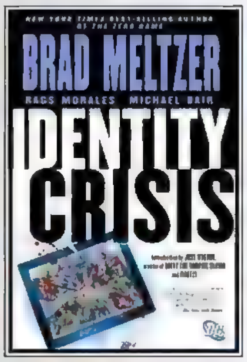


P: *What are the biggest challenges you faced when you transitioned from a prose writer to comics?*

CH: I was accustomed to describing, which is not the writer's job in graphic novels. I had to learn a very hard lesson; you can't write transitions. Each panel is a particular action. Chris Golden (artist of *Cemetery Girl*) kept telling me, *"You can't write something the artist can't draw."* It finally penetrated. It was also hard to learn that the artist has the power to make a character look the way he/she sees the character, which is not necessarily the way the writer sees the character.

P: *What projects would you like to see make the jump from prose to comics?*

CH: That's an interesting question. I'd really enjoy seeing Jeanne Stein's *Anna Strong* books in graphic form. Kevin Hearne's *Iron Druid* books! That would be great! And here's a book that would be a PERFECT graphic novel: Lila Bowen's *Wake of Vultures.*



NEW YORK TIMES BEST-SELLING AUTHOR OF THE ZERO GAME
BRAD MELTZER
RAGS MORALES MICHAEL BAIR
IDENTITY CRISIS

BRAD MELTZER
Christopher Eliopoulos

BRAD MELTZER

AUTHOR: #1 New York Times bestselling author of the "Culper Ring" Series, DC's Identity Crisis, History Decoded

PREVIEWS: *Please tell us a bit about yourself and your project!*

Brad Meltzer: My name is Brad Meltzer and I write thrillers (*The House of Secrets*), comics (*Identity Crisis, Justice League of America*), and now a widely popular kids book series about real life heroes, the latest of which are *I Am George Washington* and *I Am Jane Goodall*. This series was born because I was tired of my daughter thinking that reality TV stars and loud-mouthed sports players were heroes. I tell my kids all the time: That's fame. Fame is different than being a hero. I wanted my kids to see real heroes… and real people no different than themselves. For that reason, each book tells the story of the hero when they were a kid. We see them as children. So it's not just Amelia Earhart and Abraham Lincoln being famous — it's them being just like us.

P: *What are the biggest challenges you faced when you transitioned from a prose writer to comics?*

BM: You have to learn to shut up. When I write a novel, if I want to say someone is nervous, I paint with one palette: the palette of words. I have an infinite number of words I can use. I can say, *"He was sweating… he was tapping his foot… he was scratching his head."* But that permutation of words — even if it's subtle — is the only way for me to get that idea across. But in a comic book, you're painting with a brand-new palette. Now you have words and pictures. So in a comic, you have to learn to rely on your artist. It's far more freeing that you know. But you have to take advantage of it. For the kids books, I took everything I learned in the novels, then added everything I learned in comics — and we got this brand new hybrid that's a mixture of both. It's been amazing how many kids say, *"This reminds me of a comic."* It's supposed to. That's why I brought in a comic artist in Chris Eliopoulos. Growing up, I only used to read comics. I was determined to hook other kids with them.

P: *What projects would you like to see make the jump from prose to comics?*

BM: *The Books of Lies*, of course. The origins of Superman and the murder weapon Cain used to kill Abel. Drawn by Michael Lark or Alex Maleev. A boy can dream…

WELCOME TO GREENGRASS
S.A. CHECK

The Three Stooges

S.A. CHECK

AUTHOR: Maxx Fragg V.P.I., Welcome to Greengrass, Pink Panther, The Three Stooges

PREVIEWS: Please tell us a bit about yourself!

S.A. Check: Hi! I'm S.A. Check, a YA and Sci-fi fantasy novelist, and comic book writer. I've been a fan of comics ever since I was 11 years old, buying my first 22 pages of literary gold off a rotating metal rack in the lawn and garden section of our local grocery store. Ever since then, I've been hooked, spending many of my formative years collecting comics, either off the rack, at conventions, maybe even from the back of a van at local flea markets (KIDS – DON'T TRY THAT AT HOME!). Along with the comics I've amassed, I also became an avid reader of novels, devouring pretty much anything I could get my hands on from science fiction, to adventure, westerns, Which-Way? books, and even some classics. Getting lost in the worlds of Asprin, Pratchett, Asimov, and Bradbury, I began creating my own stories. Reading comics, I inadvertently learned along the way about story arcs and conflict, dialogue and drama.

My first novel, *Welcome to GreenGrass*, is an adventure book that mashes together elements of magic, mystery, and science fiction, published by Necro Publications/Bedlam Press. I've also contributed short stories for anthology works, written for *Bleeding Cool Magazine*, and released a second novel, *Maxx Fragg, V.P.I.*, a para-cyber fantasy from Ink Smith Press. Currently, I'm working as an editor and writer for American Mythology Productions where I'm writing for *The Three Stooges* and *Pink Panther* comics, with a number of other projects in the works for the company. This September, AM will release my political parody *Red White & Stooge*, and in November, several of my shorts will be included in the *Pink Panther* trade paperback, also from American Mythology. So, from a kid who grew up on comics, to an adult who gets to write them, not too shabby of a ride if I do say so myself.

P: *What are the biggest challenges you faced when translating prose stories and writing habits to comic format?*

SC: There are several challenges to writing for comics as opposed to straight prose. With novels and short stories, there are always elements that you can leave to the reader's imagination in your work. You set the stage, but the nuances can be filled in with certain scenes, which allows for different interpretations of the same work. The reader brings their own life experiences and expectations with them when they read one of my novels. With comics, being such a visual media, your vision of the scenes and panels have to really be spot on to stay true to where you're taking the story. The scripts for a comic are a blend of setting the scene right and then following through with the words. One of the things I've always enjoyed about comics is being able to connect with readers by using a combination of dialogue, captions, panel placement, even sound effects. Working with the right artist, like Adrian Ropp, Bill Galvan, Brendon and Brian Fraim, and many of the other talented folks I've collaborated with for American Mythology, has been nothing short of awesome, because each of these guys brings so much to the stories, taking them to a whole new level. Seeing one of my novels in print is always gratifying, but seeing your vision come to life on the paneled page is definitely something special.

P: *What projects would you like to see make the jump from prose to comics?*

SC: I think my writing, whether it's prose or not, has always been heavily influenced by the mounds of comics I read growing up. *Welcome to GreenGrass* is based on a reluctant hero who finds himself trapped in the alien city of GreenGrass, surrounded by an impenetrable dome, and forced to live amongst a colorful mix of alien races. Between the scenery and characters, it would make a fun romp as a comic. *Maxx Fragg, V.P.I.* blends the supernatural with the cyber and would also lend to some cool designs, especially the scenes inside the virtual city of Other Syde, where a large part of the book takes place. It's really a dynamic time for media with books, comics, the internet, TV, and movies, and the way properties cross seamlessly into each of them. I'm in a fortunate place right now where I'm able to do both print novels and comics and work with some incredibly talented people along the way.

TITAN

THE RETURN OF THE CULT CLASSIC SO VIOLENT IT WAS BANNED FROM THE SHELVES!

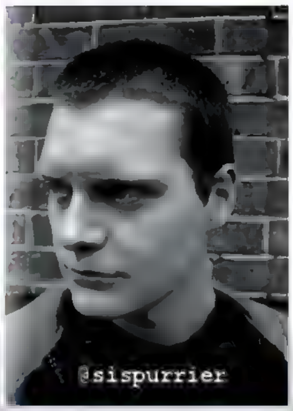
FEATURED ITEM

In February 1976, a terror came to British comic stores. Inspired by the Steven Spielberg film, Jaws, Hookjaw - a monstrous Great White shark which tore to shreds those who threatened the environment - burst through the surface of newsstand comic Action #1.

The tales of this destructive murdering machine were so violent, gory, and controversial, they incited a campaign to ban the comic from stores!

This December, just when you thought it was safe to go back to the comic store...Titan Comics is proud to present the publication of a petrifying all-new Hookjaw comic! To bite down on the meat and gristle of this marine evil, we join writer **Si Spurrier** and dive into the unknown fathoms!

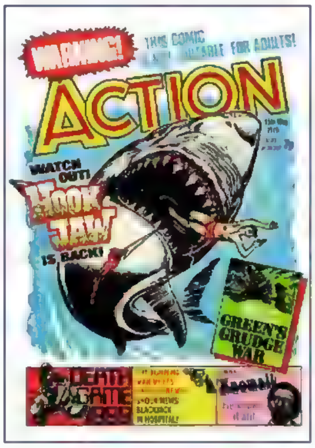
SPURRIER • CONOR BOYLE • GIULIA BRUSCO
HOOKJAW



SI SPURRIER
WRITER, HOOKJAW

For the uninitiated, what can you tell us about Hookjaw?
It's an action-horror which combines high seas drama, Somali piracy, CIA skulduggery, cutting-edge zoological research and a pack of great white sharks led by a singular, vast, unstoppable and near-mythical monster.

Forget all the stupid mutant-shark nonsense cluttering up the B-movie screens, forget dire shrieking starlets and improbable protagonists. The new Hookjaw is based on solid bloody science, terrifying realpolitik and splendidly hazy moral behavior. It's a story in which everyone involved believes they're the hero... and they're all wrong.



By way of a quick history lesson, the original Hookjaw started life in 1976 as one of the inaugural strips in (in)famous comics anthology Action, which would be banned within a year thanks to public hysteria about its violent content (and would eventually be replaced by the legendary and still ongoing 2000AD).

Hookjaw was only ever really meant to be a "dead crib" – that is, a knowing cash-in on a popular story, in this case Spielberg's blockbuster Jaws – but quickly became something more special. Based on an idea from Pat Mills, written by Ken Armstrong and drawn by Ramon Sola, it mutated into a subversive take on moral redemption. Unlike Jaws, pretty much every human character in the original Hookjaw was a villain. Hence the eponymous shark – a gigantic great white with a barbed fishing-gaff snagged through its cheek – which chomped its way through the entire rascally lot, played the role not of Evil Monster, but as a sort of avatar of natural retribution. It brought a fittingly grisly end to legions of bastards.

It's become something of a cult story to long-time British comics readers. With the new strip we've aimed to pay our heartfelt respects to the original, while presenting a modern, murderous and just plain fun story which requires no prior knowledge at all.

As a fan of the original series - which ran in the classic British comic, Action - how does it feel to bring Hookjaw to a new audience?
It's lovely. It's one of the very few work-for-hire IPs I was literally incapable of turning down.

Part of the pleasure lay in discovering that, just as the original story tinkered with notions of heroism, villainy and morality, I could have a lot of fun flipping expectations about heroic archetypes.

Titan's Hookjaw is a brand-new series. Can you tease a little about what we can expect from your new take?
In the new Hookjaw the main character – an oceanographer called Maggie – is literally the only person involved who doesn't think they're the hero. We've got the well-intentioned ecological warrior, the square-jawed soldier, the world-saving spy and the honorable-thief pirate...

...All of them dropped into a murky mystery involving a shipwreck, a polluted coast, the moldering wreckage of an old war, and a small group of female sharks – the Virgin Brides, each named for a Catholic Saint – waaaay out of their own territories, which seem to be displaying social hunting behaviors...

You are joined on this journey by legendary British comics editor and marine life expert artist, Steve White, and rising star artist Conor Boyle. Why is this the perfect creative team for Hookjaw?
There is literally no editor better equipped for this project than Steve, so I'm honored he picked me to write it. He knows sharks better than anyone I know, so you can be sure there's nothing in this story which strays too far from scientific orthodoxy. In my opinion it's a lot scarier as a result.

Conor's been doing amazing work for years in small and medium press circles, and is finally getting the recognition he deserves. His broody, moody inks have been an absolute revelation. In a medium like comics it's tough to tread the line between hint and reveal, but he's got it down pat. He's joined by a genuine comic book giantess, the amazing colorist Giulia Brusco, who somehow manages to find new heights and new depths as required. It's stunning stuff.

DOCTOR CROWE #1

Recommended by Jay Spence

Dr. Victor Crowe, the mysterious expert on Victorian era tech and the occult, combines his two areas of knowledge to battle the supernatural the rest of us can never fully understand.

Formatted like a collection of his greatest campfire stories, the first issue of *Doctor Crowe* introduces the Doctor with three different tales of his most dangerous exploits. With the help of a brave and beautiful ally, the Doctor hunts the shadowy "bog men" to their cave lair and find there's a reason why men usually never return to tell the tale. In another time, the Doctor makes a house call to treat a dreadful and mysterious virus that plagues its victim with a side effect more hazardous than death. Lastly, the Doctor wakes up wounded from his latest battle against a coven of witches and recounts his story to a curious stranger but the only the Doctor knows that the end of the story has yet to be written.

Blending the theatrics of *The Shadow* with the varied mythos of *Hellboy*, Corey Fryia writes the dark side of "steampunk" with entertaining results. "Doctor Crowe knows what lies in the depths of darkness and only he has the remedy."

HERALD: LOVECRAFT & TESLA VOL. 3

Love is in the air when the Cthulhu cult converts its faithful into hideous flesh beasts. In Vienna, Hitler responds to an RSVP from something old. Lovecraft and Houdini find themselves neck-deep in something new. Sonia Greene is hunted for something borrowed. And after reconciling the possibility of never finding Earhart, Tesla is blue.

"Tying the Knot" collects "Herald: Lovecraft & Tesla" issues 7-9.

BRIGANDS #2

Out to recruit more brigands for their heist, Stilian Desault and Veina arrive at the Barren Halls Prison. They've come with a box full of stolen gold to buy a good man his freedom. But the trouble with smart people making dodgy deals is they don't settle for less and often get more than they bargained for. There's new management in-charge of Barren Halls and they're not about to let anyone go free.

AFTERSHOCK

Collecting the first seven issues of the epic AfterShock series! At the cusp of the 1898 World's Fair, America is poised to become Earth's most industrious nation. When a terrible power emerges from the darkness, a group of unlikely heroes team-up to stop it. A tortured Teddy Roosevelt recruits a struggling Coney Island magician named Harry Houdini...a hard-drinking, gun-slinging Annie Oakley; a financially strapped and aging Thomas Edison; and a boisterous, womanizing African American boxer with a big chip on his shoulder named Jack Johnson. These legends of old will soon wage a shadow war that will change the course of history for America, and ultimately, the world. That is, of course, if they don't kill one another first.

Don't miss out on this first collection from ADAM GLASS (executive producer of *Supernatural* & writer of *Suicide Squad*) and PAT OLLIFFE (*Untold Tales of Spider-Man*).

SOLARMAN VOLUME 1 TP

Recommended by Trevor Richardson

You have to go back to the original *Solarman* that Marvel produced in the late 80s to really appreciate the level of work and insight Scout's creative team have put into reimagining this character. He was a bright orange blonde-haired, Captain Planet-analog who was created to address the energy crisis of the 70s. The new *Solarman*, returning after a twenty-five year hiatus, is a fresh start for the character. With the full support of Solarman creator, David Oliphant, the new Ben Tucker is an African-American teenage hacker who is tackling modern issues and comes off like the voice of the 99% rather than a proponent for solar power. Before he even discovers his superpowers, Ben is targeting the wealthy and corrupt, antagonizing bullies, and standing up for the underdog.

When a crew of astronauts on a space station encounter a piece of extraterrestrial technology, they are promptly attacked by a powerful alien and the technology is lost in the struggle. It crashes to Earth and Ben discovers it, exposing him to an energy field that imbues him with nuclear-based power. His powers come at a cost and that is another intriguing aspect of this take on the superhero genre. The powers don't make him better at sports or have more luck with the ladies or finally get to bring Flash Thompson down a peg or two, they throw Ben's life into total chaos. By the end of the first issue he is a fugitive from the law, fleeing an alien hunter, and dodging a paramilitary division gunning for the technology that gives him his power.

The biggest threat to Ben Tucker's survival is his own power.

> "Uber" is a master class in historical fiction. It never denies the weight of the issues it deals with but heightens them to a fantastical place that makes the conflict and characters more engaging and dramatic while making a bloody mess."
> —BloodyDisgusting.com

About: Kieron Gillen's reimagining of superpowers and history is back with America under attack! In the waning days of World War II, the Germans discovered a way to enhance soldiers into unstoppable monsters. With these weapons Hitler conquered all of Europe and now has set his sights on the United States. This is Uber: Invasion! The German battleships are on American soil and with the allies struggling to make up lost ground in Enhanced Soldier development; the young country is facing the possibility of annihilation! Available with Regular, Wraparound, War Crimes, and Blitzkrieg covers by series artist Daniel Gete, a painted Propaganda Poster cover, and a limited VIP Premium cover by Gabriel Andrade that is limited to 500 copies!

(A) Emilio Frejo, Juan Gonzalez
Steed and Mrs. Peel are needed! In 1967, D.C. Thomson made an arrangement with ABC Television Ltd to adapt popular TV show *The Avengers* into a series of new comic strip serials for Diana magazine. The beautifully drawn strips ran at two pages a week from issues #199 to #224. Fifty years later, Big Finish made an arrangement with StudioCanal to adapt the comic strips into audio adventures, starring Julian Wadham and Oliva Poulet as Steed and Mrs. Peel. This book contains all eight original comic strips, restored and in full color: "Return to Castle De'ath," "The Miser," "The Golden Dresses," "The Norse Code," "Playtime is Over," "The Antagoniser," "The Mad Hatter," and "The Secret Six." Starring Julian Wadham as John Steed and Olivia Poulet as Mrs. Peel. These stories are recreations of the comic strip adventures of Steed and Mrs Peel which appeared in *Diana* magazine in 1966 and 1967. "Return to Castle De'ath": Castle De'ath is playing host to many new visitors, including a wealthy Prince targeted by assassins. Which of the Castle's guests are behind the murderous plot? "The Miser": Steed and Peel witness the first action of The Miser, a terrifying extortionist. The race is on to stop his ambitious scheme. "The Golden Dresses": Steed and Peel look into the world of haute couture to discover the dark secret of this latest craze. Can they pull it off with style? "The Norse Code": The last thing Steed and Peel expect to find on their boating trip is a Norse longboat. What are Vikings doing in East Anglia? Bongo's annual, oversized, 96-page comic is bursting at the reams with laughs galore! There's a new comic convention coming to Springfield, and it's Homer who's going bananas over the chance to meet his favorite, prime-time, primate TV star — Christmas Ape! Then Bart pulls a prank on the entire town and discovers that the people he punked can be a lot more forgiving than he ever imagined, and now he has them right where he wants them. Suckers! And who is Bartman? Find out who the students of Springfield Elementary think he really is. And Waylon Smithers, Mr. Burns' long-suffering, lovestruck sycophant, is about to turn the tables on his longtime companion and employer with a brand-new take charge attitude. (Oh, did we forget to mention, he gets struck by lightning?) And The Simpsons of Springfield come face to face with their doppelgangers, The Simpkins from Capital City. Then Bart and Milhouse find their treehouse overrun by intelligent primates. Finally, a Zombienado strikes Springfield! (STL025744)

BIG TROUBLE IN LITTLE CHINA/ ESCAPE FROM NEW YORK #1

Recommended by Trevor Richardson

Like old Jack says, when the earth quakes, and the poison arrows fall from the sky, and the pillars of Heaven shake, and the Pork Chop Express crosses over into an alternate reality in a flash of lightning, just look that big storm right square in the eye and say, "Give me your best shot, pal. I can take it."

With the full blessing of director John Carpenter, two iconic heroes turned cult classics thanks to Kurt Russell, a mullet, an eyepatch and a few machine guns, are about to collide. It all starts when Jack Burton drives his beloved truck into the dystopian "future" of Snake Plissken's 1997 – isn't that the same year Skynet originally went on line? What's with you, 1997? When Snake finds out a man is running around with his same face, he goes gunning for Jack and shenanigans ensue, launching a savage road trip across a post-apocalyptic America to learn what weird magic has pulled Jack across worlds.

BOOM!'s take on *Escape from New York* and *Big Trouble in Little China* has been so true to the spirit of the work and everything that made 1980s action flicks so awesome that it seemed there really was no way to improve on a good thing. Turns out, there is, you just double your dose of Kurt Russell with an awesome crossover event penned by Greg Pak and drawn by Daniel Bayliss.

Hop behind the wheel with Jack and Snake and watch them drive faster than they can see right at the heart of evil because, in the end, it's all in the reflexes.

THE TERROR BIRDS
A NOVEL BY NEIL DOUGHERTY

CAPTAIN CANUCK: THE TERROR BIRDS PROSE

(W) Neil Dougherty
(CA) Mikko Maciaszek

Neil Dougherty kicks off the Captain Canuck novels with *The Terror Birds!* Answering a scrambled distress call from an old friend launches Canuck and Kebec into a maelstrom of violence triggering a race against time to foil a terrorist attack. Backed by a fanatical North Korea hell bent on revenge, Goldcorps' sinister special projects have pushed the dark frontiers of science and weaponized a prehistoric cyborg. Their target — the new Canadian Prime Minister's first G8 summit in Ottawa. Equilibrium's two top operators will need all their skill to stop the massacre on the Rideau and push their friendship to its limits as the duo cross Canada on their wildest and most outrageous outing yet. TOMIE COMPLETE DELUXE EDITION HC

Recommended by Sarah Martinez

Tomie transcends everything we know about beauty – she's stunning from the top her head to the tips of her toes, and she loves you! Well, she lets you love her, but she will love you if you do this one tiny thing for her: please commit murder.

Junji Ito's girlfriend from hell has arrived here at VIZ in one deluxe hardcover volume for the first time. It'll look super-sweet next to your other VIZ Ito titles, *Uzumaki* (AUG131498) and *Gyo* (FEB151687). More than 750 pages of *Tomie* await you, and you'll need them all.

You see, it's not just any murder that Tomie needs from her lovers. She's after the complete eradication of all those other Tomies. Other Tomies? Yeah, here's the wrinkle: every time a Tomie is cut or dismembered (and it happens more often than you'd think!), she grows another Tomie. The new Tomie will be just as lovely and bewitching as the old one. She'll also be convinced she's the only true Tomie.

So strap in tight. Be prepared to defend your Tomie. And be ready to slaughter any other Tomie (or her poor brainwashed boyfriends!) that you meet. It's a long and twisty ride through a truly terrifying tour of old-school Japanese body horror.

Terrible temptress torments befuddled boyfriends into mass murder of her continuous crop of carbon-copy clones.

INTERVIEW W/ ANDY MANGLES

We caught a (sadly, visible) plane to Portland to question best-selling Star Trek and Star Wars author Andy Mangels about the upcoming WONDER WOMAN '77 MEETS THE BIONIC WOMAN mini-series. With a life-size statue of Lynda Carter as Wonder Woman watching over us in his office, here's what Mangels had to say…

You were just the right age in 1977 to watch the WONDER WOMAN and BIONIC WOMAN television shows – and the pop culture phenomenon that surrounded them (posters, magazines, etc.). Were you a fan of these characters? Any personal anecdotes that you can recall about the shows?

ANDY: I was a fan of Wonder Woman since childhood, but grew up in a very small town. I had to do extra chores for a week so my parents would borrow a color TV from our neighbors so I could watch the debut of Wonder Woman! Having Wonder Woman and Bionic Woman on television during my youthful years meant a lot for my belief in the equality of and power of women, and also meant I spent a lot of time running, jumping, and spinning around… all while making either Wonder or Bionic sound effects!

I do want to point out that these characters are ageless though. Even though many fans and retailers saw these shows in the 1970s, they have both been syndicated worldwide since then, and currently air on MeTV. Wonder Woman and The Bionic Woman have three generations of fans now who will FINALLY get to see them team up!

Dynamite's BIONIC WOMAN: SEASON FOUR and DC Comics' WONDER WOMAN '77 have done such a great job of capturing "retro chic flair" – roller-skating, Fembots, disco, etc. Without ruining any surprises, are there any funky Seventies attitudes or aesthetics squeezed into your script?

ANDY: To really capture the aesthetic of the series, one has to know the shows inside and out. As one of the world's top Wonder Woman experts, I've been in documentaries and contributed to a lot of projects about her. I also came thisclose to producing the Bionic Woman DVD sets. So, I know them both well.

I'm not only providing our exciting new artist Judit Tondora with literally thousands of photos from the series for reference, but also with images of cars, buildings, and fashion from the time. The colorist and the letterers and our all-star lineup of variant cover artists will also be working hard to get the details perfect. Short of a time machine, you should get exactly the team-up you would have seen if it HAD happened on television in 1977… with a huge feature film budget, of course!

Wonder Woman and Jaime Sommers are THE iconic action heroines – intelligent, capable, and powerful. You'd have to imagine that only the worst kind of villainy can threaten such a team-up. What do you have in store?

ANDY: To say too much will spoil the surprises, but I can say that you will see new villains, and returning villains — and heroes and supporting characters — from both TV shows, as well as some material from comic book continuity that was never quite incorporated into the shows. The plot is pretty epic in scope; it would have been a three-parter on TV! This is not a decompressed padded-for-trade-paperback kind of story… this one literally starts with a bang and doesn't stop until the end!

INTERVIEW W/ AMY CHU

Are you a longtime fan of RED SONJA? Are there any personal anecdotes or reflections on the character or storylines from your experience reading the comics?

AMY: I'm pretty certain I read some '70s Red Sonja/Conan, and of course watched the movie with Brigitte Nielson, but I really became a Red Sonja fan when Gail Simone took over. That was a side of Sonja I hadn't seen before, and it was quite terrific. And I thought, some day I'm going to write a badass character like her too! And look, here I am... My husband is quite stoked by all this, of course.

In advance of writing the story, were there particular aspects of Red Sonja's characterization that you really wanted to delve into? What can the readers expect to explore, beginning with the new RED SONJA #0 issue?

AMY:I want to represent Red Sonja in the purest way possible- She's a warrior, she's not a strategist. She's familiar with a certain way of life, a certain way of fighting. What if we take that away and put her in a completely new environment where she's forced to adapt? Let's get her out of her comfort zone and see where Red Sonja goes from there. Scott Snyder is doing that right now in All Star Batman, taking Batman out of Gotham and putting him on the road and I think that's quite exciting. It's a win-win, something refreshing for the readers, and a great challenge for the creative team. There's going to be a lot of action and adventure with a little splash of mystery, and we're going to see her abilities tested in new ways, all starting with Issue #0.

Your recent work on DC Comics' POISON IVY series really hit a chord with readers. Are there any common themes or elements between the characters? Do you think your POISON IVY fan base might hop over and try out the new RED SONJA?

AMY: Red Sonja and Poison Ivy are both great, popular, sexy redheads. They're powerful women in very different ways, and they're also flawed in different ways, which make their personal stories really interesting. So sure, I hope Ivy fans do hop over, especially for this arc. Don't think you have to be fans of swords and sorcery to enjoy this Red Sonja. Plus, I'm bringing in some colorful supporting characters just like I did with the Ivy miniseries...!

INTERVIEW W/ DAVID LISS

Dynamite's been the proud home to The Green Hornet since 2010, and has featured several incarnations of the character. Which era are you focusing on with your new story, and what makes this time period and The Green Hornet work so well together?

DAVID: This incarnation will be set in the World War II era, directly following Mark Waid's terrific run. Let me be clear that I had a great time bringing pulp characters like the Spider and the Shadow into contemporary settings, but I genuinely love working with these characters in their natural setting. Green Hornet, with his unique angle -- conning the cops and the criminals into thinking he's a bad guy --- works beautifully in this era of low tech, spotty communication, dark streets, and ratcheted-up paranoia.

What are your thoughts on the pairing of the Hornet and Kato? How do you see the way in which these characters fit together, and will you be exploring their partnership in the new series?

DAVID: This was something I absolutely something I thought about a great deal I wanted to build on the work done by so many of the other Hornet writers at Dynamite and rethink and modernize this relationship. Britt Reid obviously comes at his relationship to Kato with a certain sense of superiority -- he is, after all, a rich white man in a world that places rich white men at the top of every pecking order. I wanted to make sure Kato saw himself, and acted as, an equal and, perhaps more importantly, a check on Reid's genuine power as well as his, sometimes dangerous, sense of entitlement.

Without giving too much away, what kind of threats will the Hornet face in the new series?

DAVID: We wanted to raise the stakes by having Green Hornet face a costumed villain, and I may have kind of cranked things up to eleven. This is a story that will bring in a truly dangerous and deranged enemy, a rival hero, and a vast international conspiracy. Hornet is going to find himself threatened from pretty much every possible angle, and he's going to have dig deep to work his way through all the stuff we're throwing at him.

You've written The Shadow and The Spider for Dynamite previously – what is it about the Pulp Heroes that you love most?

DAVID: I think what I really love is the sense of stripped down purity you get from pulp . These characters have a kind of gritty authenticity -- they're often outnumbered and outgunned, figuring things out as they go along, surviving by the skin of their teeth. Pulp heroes almost never feel over-powered, so the situations they find themselves in are often dangerous and demanding, which raises the stakes.

And finally – why do you think fans will love this series?

DAVID: We've put together a story that's full of pulpy action, suspense, surprises and insanity – true to the Green Hornet tradition, but pushing the characters in some new directions. Kewber Baal's art kicks sets the tone perfectly. It's a story that hits the notes you want from a Green Hornet tale, but also goes in unexpected directions. As a fan, I know that's the sort of thing i love.

THE OFFICIAL GRAPHIC NOVEL ADAPTATION OF GRAVE SURPRISE BY CHARLAINE HARRIS, THE AUTHOR OF THE SOOKIE STEAKHOUSE, AURORA TEAGARDEN AND CEMETARY GIRL SERIES!

Harper Connelly, a psychic capable of finding dead people and reading their last thoughts, discovers a grave in Memphis with two bodies: a man centuries dead, and a girl recently deceased. How the two bodies ended up together would be perplexing enough... but the sudden appearance of a third body the next morning makes this a mystery that perhaps even Connelly can't solve!

He's faced off against demons in Hell. He's battled the dead in the future. He's even combated the armies of darkness in space. But Ash Williams has never gone up against evil in an arena like this: the political arena! From the writer who brought you "Hail to the Queen, Baby" and "Ash Saves Obama" comes the off-beat adventure that answers the question: "What if Ash Williams ran for President of the United States?" When the Necronomicon Ex Mortis gives him a cryptic message, Ash Williams enlists the help of a beautiful psychic to help him track down the agent of the "Great Darkness", an evil so great that it threatens both humankind and the demon realm. But what happens when the search for truth takes Ash on a trail that he never expected... the campaign trail?

DIANA GABALDON
AN OUTLANDER GRAPHIC NOVEL
THE EXILE
Illustrated by Hoang Nguyen

In her first-ever graphic novel, Diana Gabaldon gives readers a fresh look at the events of the original *Outlander*: Jamie Fraser's side of the story. Jamie Fraser is coming home to Scotland. Though his beloved godfather, Murtagh, promised Jamie's late parents he'd watch over their brash son, making good on that vow will be no easy task. There's already a fat bounty on the young exile's head, courtesy of Captain Black Jack Randall, the sadistic British officer who's crossed paths and swords with Jamie in the past. And then there is Claire Randall — mysterious, beautiful, and strong-willed. Even as Jamie's heart draws him to Claire, Murtagh is certain she's been sent by the Old Ones, and Captain Randall accuses her of being a spy. Claire clearly has something to hide, and Jamie knows she is torn between two choices — a life with him, and whatever it is that draws her thoughts so often elsewhere. (STL020087)

THE HOBBIT TP

Prose to Panels

First published more than sixty years ago, J. R. R. Tolkien's *The Hobbit* has become one of the best-loved books of all time. The enchanted prelude to *The Lord of the Rings*, *The Hobbit* is the story of Bilbo Baggins, a quiet and contented hobbit whose life is turned upside down when he joins the wizard Gandalf and thirteen dwarves on their quest to reclaim stolen treasure. It is a journey fraught with danger — and in the end it is Bilbo Baggins alone who must face the guardian of this treasure, the most dreaded dragon in all Middle-Earth. KIM HARRISON'S THE HOLLOWS VOLUME 1: BLOOD WORK HC

(W) Kim Harrison (A/CA) Pedro Maia

Prose to Panels

Fans Of Kim Harrison's *Hollows* novels have asked for years what Rachel and Ivy's first experience as partners in the I.S. (Inderland Security) was like. The answer? Stormy! Assigned as an intern under Ivy's supervision, Rachel's got plenty to prove, while Ivy has to face that this very attractive — and frustratingly self-assured — young earth witch, controls powers that Ivy can't match. Ivy's got one big question as well. Did Piscary, her vampire master, set this partnership up? (STK443346)

Willa Harba is left unprotected in the shark-infested Pacific with her only hope — a SAT phone that is quickly running out of battery. Floating on what's left of the airplane and a bite to the leg with her blood spilling into the ocean, things can only get better from here, right? Despite the bleeding, sharks are oddly moving away from the area. Willa gets in contact with a marine biological survey team that has their eyes on her, thanks to an experimental satellite camera fitted on a 22-foot Great White Shark headed her way!

THE PHANTOM: THE ART OF THE GHOST WHO WALKS

Recommended by Steven Leaf

The Phantom was probably the first costumed hero I read or was read to by my dad. The comic strips had a unique fascination and the daily exploits made sure I learned to read for myself. There was a consistency to the art, and Sy Barry and Bill Lignante were *The Phantom* artists to me. It probably wasn't long after I showed my grandfather I could read that I was allowed to go to his newsstand and pick out a comic book. While there wasn't a *Phantom* comic to be found, I settled for Batman who, to this day, when done right, is my favorite superhero.

Reading comics and going to comic cons, lead me to fanzines that expanded my interest in Batman and The Phantom. I found old comics and got to know artists like Ray Moore and Wilson McCoy drawing The Phantom. Now, years later, artists like Graham Nolan and Don Newton showed they could handle both these characters equally as well.

Now a spry 80 years old, The Phantom holds his age quite well thanks to the writers and, most importantly to me, the artists behind The Ghost Who Walks and who never seems to age.

In *The Phantom: The Art of the Ghost Who Walks* Hermes Press has produced a book that represents all the major artists who have worked on The Phantom. This book makes available original art seldom seen outside personal collections and represents the rich 80 year history of The Ghost Who Walks. Within the pages we get to see art by Ray Moore and Wilson McCoy as well as the painted Gold Key cover art by George Wilson. Comic book artists are well represented with art by Lignante, Jim Aparo, Pat Boyette, and Don Newton, with Aparo and Newton featured in complete stories shot from the original artwork. We will also see art from the illustrators who worked on The Phantom overseas in Italy, Australia and Scandinavia as well as those who worked on the character at DC, Marvel, Moonstone, and Dynamite.

Hermes Press has a history of doing *The Phantom* right and this will be a great addition to their classic strip and comic book reprints. This is a book a true fan of the Phantom must have and is a great present for the 80th anniversary of The Ghost Who Walks.

CRAIG THOMPSON

BLANKETS
(W/A/CA) Craig Thompson
Blankets is the story of a young man coming of age and finding the confidence to express his creative voice. Craig Thompson's poignant graphic memoir plays out against the backdrop of a Midwestern winterscape: finely-hewn linework draws together a portrait of small town life, a rigorously fundamentalist Christian childhood, and a lonely, emotionally mixed-up adolescence. Under an engulfing blanket of snow, Craig and Raina fall in love at winter church camp, revealing to one another their struggles with faith and their dreams of escape. This groundbreaking graphic novel, winner of two Eisner and three Harvey Awards, is an eloquent portrait of adolescent yearning; first love (and first heartache); faith in crisis; and the process of moving beyond all of that. SCENES FROM AN IMPENDING MARRIAGE HC

(W/A/CA) Adrian Tomine

At the behest of his soon-to-be wife, Adrian Tomine set out to create a wedding favor for their guests that would be funnier and more personal than the typical chocolate bars and picture frames. What started out as a simple illustrated card soon grew into a full-fledged comic book: a collection of short strips chronicling the often absurd process of getting married. A loose, cartoony departure from Tomine's previous work, *Scenes From An Impending Marriage* is a sweet-natured, laugh-out-loud skewering of the modern marriage process, including hiring a DJ, location scouting, trips to the salon, suit fittings, dance lessons, registering for gifts, and managing familial demands. FOUR COLOR FEAR: FORGOTTEN HORROR COMICS OF THE 1950S

Edited by Greg Sadowski

$29.99 / SC / 320 pgs / FC / 7.5 x 10.5

Since immediately selling out of its previous two printings, *Four Color Fear* has been our most demanded backlist title for more than five years now! *Four Color Fear* collects the finest golden-age horror stories into a single affordable volume. All of the better horror companies are represented, from Ace to Ziff-Davis, plus a Hall of Fame line-up of artists, including L.B. Cole, Jack Cole, Reed Crandall, George Evans, Frank Frazetta, Jack Katz, Al Williamson, Basil Wolverton, and Wallace Wood. Restoration has been performed to retain the flavor of the original comics, and to provide the reader the experience of reading the finest examples of the pre-Code era comics.

PIM & FRANCIE: THE GOLDEN BEAR DAYS

by Al Columbia

$29.99 / HC / 240 pgs / FC / 8.25 x 8.5

Originally published in 2010, *Pim & Francie* is a cult classic and the only collection of Al Columbia's work to be published. Collecting more than a decade's worth of comic strips, animation stills, storybook covers, and much more, this broken jigsaw puzzle of a book tells the story of a pair of childlike imps whose antics get them into horrific, fantastic trouble. Columbia's brilliant, fairy-tale-like backdrops hint at dread lurking under every gingerbread house and behind every sunny afternoon, all told with a wicked sense of humor.

The Attack
DAUVILLIER & CHAPRON

THE ATTACK GN

(W) Yasmina Khadra & Various
(A) Glen Chapron, Loic Dauvillier
(CA) Loic Dauvillier

Amin Jaafari, an Israeli surgeon of Palestinian origin, attempts to save the casualties of a suicide bombing. A day after the deadly attack, an Israeli police officer informs Jaafari that the suicide bomber was his wife, Sihem. They were leading an ideal life in Tel Aviv, moving among both Arab and Israeli society with ease, or so Jaafari thought. Desperate to understand how he missed even the slightest clue, Jaafari leaves the relative security of Israel and enters the Palestinian territories to find the fanatics who recruited her. In search of the truth, he confronts a reality that he had refused to see. *The Attack* is a poignant tragedy that mixes the intimacy of grief and betrayal with the futility of the Israeli-Palestinian conflict. NIGHT OF LIVING DEAD VOLUME 1: SINS OF THE FATHER HC

(W) Jean-Luc Istin (A/CA) Elia Bonetti

It's Halloween. Lizbeth leaves her husband and two children to accompany her brother Leland, the favorite son, to visit the grave of their adoptive parents. But no sooner do they arrive at the cemetery than they are attacked by a group of living dead! Will Lizbeth survive? Will she be reunited with her husband and children? *Night of the Living Dead* Volume 1: *Sins of the Father* is the first of three volumes that retell the classic story for modern readers and fans of graphic novels. Istin's tight text and Bonetti's skilled art bring the terror and horrid fear to life and the convey the psychology of the characters. Together they resurrect the zombie story for a new generation. THE THIRD COLLECTED VOLUME

From legendary creator Grant Morrison (All Star Superman, Batman & Robin, The Invisibles) comes the second volume in his epic creation, as the battle between two armies of super warriors plays out on the battlefield as we flashback to see the events that brought people to the war. 18 Days is the story of three generations of super-warriors, meeting for the final battle of their age, a climactic war that concludes the age of the gods and begins the age of man. Collecting the third story arc from the series.

"This is not a Lord of the Rings or a Star Wars where the good guys win because they are right. The good guys in 18 Days are forced to cheat and lie and break rules to win. Although it has fantastic, mythic trappings, this is a very modern story of realpolitik and the failure of ideals in the face of harsh truth." - GRANT MORRISON

VOLUME 2
GRAPHIC ADAPTATION BY P. CRAIG RUSSELL

NEIL GAIMAN'S THE GRAVEYARD BOOK

(W) Neil Gaiman, P. Craig Russell (A) P. Craig Russell & Various (CA) P. Craig Russell

Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. Neil Gaiman's Newbery Medal-winning *The Graveyard Book* reaches new heights in this glorious adaptation by P. Craig Russell. Each chapter is illustrated by a different luminary from the comic book world, including Kevin Nowlan, P. Craig Russell, Tony Harris, Scott Hampton, Galen Showman, Jill Thompson, and Stephen B. Scott, to create an imaginatively diverse and yet cohesive interpretation of Neil Gaiman's luminous novel. (STK680989)

Grant Morrison continues his reign as Editor-in-Chief by contributing two new tales to shock and outrage! The first is sci-fi epic *Mythopia*, written by Morrison with layouts by publisher, Kevin Eastman, and art by Bill Sienkienwicz. The second is a tale of sword, sorcery, and psycopaths in *The Savage Sword of Jesus Christ!* Also on deck is a new story by Eniki Bilal and the continuation of Salsa Invertebraxa by Mozchops and Zentropa by John Mahoney. The cover is a wraparound cover of *Heavy Metal*'s iconic warrior queen *Taarna* by Luis Royo. Cover B is a painted cover of Adolf Hitler facing off against a sword weilding take on the Christ by famed painter Ken Kelley (Kiss Destroyer and Love Gun album covers). Nate McCoy has a problem — he can see and interact with past versions of himself. The people he reincarnated from. As a P.I., the help of Jameson, a Wild West lawman, and Alan, a 1960s-era hitman, is invaluable to bringing down the city's kingpin. But it makes his personal life a mess, as Nate can't be sure if this "power" of his makes him crazy or insane. From acclaimed comics writer Michael Moreci (*Roche Limit*, *Suicide Squad*) and artist Keith Burns (*Ex-Con*, *Johnny Red*) comes a crime noir story with humor, heart, and head wounds. All the Little Prince cares about is being useful to the flower he's left behind on his very small planet, with only a few thorns to protect him from the world. Sfar's comic-book illustrations of the wide-eyed boy prince and disheveled pilot he encounters in the African desert are edgier than the original watercolors, and his style and humor work modern magic. ATTACK ON TITAN VOLUME 20 GN

(W/A/CA) Isayama Hajime
Humanity has been devastated by the bizarre, giant humanoids known as the Titans. Little is known about where they came from or why they are bent on consuming humanity. For the past century, what's left of mankind has hidden in a giant, three-walled city. Now, a young boy consumed with rage displays a strange ability: The power to transform into a Titan! Is this the lucky break humanity needs to survive? (STL025125) (C: 1-1-0) **NOTE:** Not available in the UK, Australia, Singapore or the Philippines.

ATTACK ON TITAN: BEFORE THE FALL VOLUME 9 GN

(W) Isayama Hajime, Ryo Suzukaze
(A/CA) Satoshi Shiki
A prequel series to the number one bestseller! Humanity has learned to live in complacency behind its high walls, protected from the giant Titans. But when a Titan-worshipping cult opens one of the gates, a Titan wreaks havoc, consuming the cultists. After the rampage is over, two young Survey Corps members are shocked to discover a pregnant woman's partially digested corpse, with her baby still alive inside it! What will the fate of this "child of the Titans" be? And how will humanity learn to cope with the Titan threat? (STL025126) (C: 1-1-0) **NOTE:** Not available in the UK, Australia, Singapore or the Philippines.

COMPLEX AGE VOLUME 3 GN

(W/A/CA) Yui Sakuma
Twentysomething temp worker Nagisa Kataura lives like an average young woman, but she has a secret life. When she's not sitting at her day job, she spends most of her time transforming into her favorite anime and manga characters through the art of cosplay. Worried about being thought childish and nerdy, Nagisa struggles to keep her hobby a secret. To enjoy her passion and still function as a normal member of society, Nagisa has to struggle with the pressures of two very distinct lifestyles, while doing her best to keep her two worlds from colliding. One of the few realistic manga told from the perspective of a young, geeky Japanese woman. (STL025112) (C: 1-1-0) **NOTE:** Not available in the UK, Australia, Singapore or the Philippines.

KISS HIM, NOT ME VOLUME 8 GN

(W/A/CA) Junko

Kae is a hardcore *fujoshi*, the type of female manga fan who loves to read stories of handsome boys getting into initimate situations with each other and often "ships" together characters from her favorite titles. However, her fervent passion for manga and anime causes an accident that comes with surprising results. The once homely and overweight fangirl has become an overwhelmingly cute girl who now turns heads everywhere she goes. With her new looks, Kae has caught the attention of a group of handsome boys who all want to date her, but in the end, Kae is still a *fujoshi* at heart, and rather than receive kisses from them, she would get much more enjoyment out of seeing those boys make out with each other! Aoi's best friend Moe is in love with their high school's prince, Shusei Kugayama. But when Moe confesses her feelings, Shusei turns her down hard, and a furious Aoi takes him to task. So it's quite a shock when Aoi finds out that the boy moving into the apartment next to hers is Shusei! Things go from awkward to intolerable when Aoi accidentally starts a kitchen fire in Shusei's apartment, and is forced to let him move in while the damage gets cleaned up. Readers will love watching the funny and touching situations this unlikely couple experience as they slowly begin to warm to each other. A complete collection of the prize-winning and greatly acclaimed adaptations of Oscar Wilde's works, this specially priced set brings each story to life with brilliant illustrations by a master of comic art. Each of the paperback volumes of Wilde's compelling tales are assembled here with close to 200 pages of exquisite comics, including such classics as "The Selfish Giant" who won't let the children play in his garden until the dire consequences make him see the light, "The Devoted Friend" on what constitutes real friendship, "The Nightingale and the Rose" a stirring story of sacrifice to love with a cruel twist, "The Birthday of the Infanta" where a hideous dwarf discovers that his good humor and tricks may not be the reason he receives such attention, and "The Happy Prince" where a once spoiled young prince finds what it means to make sacrifices. DUNGEON: ZENITH VOLUME 1: DUCK HEART TP

(W) Joann Sfar (A) Lewis Trondheim

Welcome to *Dungeon*, the looniest world of horror and heroic fantasy you'll ever be transported into! This series, a best-seller in many countries, starts with the apogee of *Dungeon*, a mighty castle filled with monsters, trolls and goblins kept by a wily bird, the Dungeon Keeper, and the object of desire of many an uncouth and disgusting form of life (and afterlife) and Herbert the Timorous Duck is assigned to defend it! Thank goodness, the Dungeon Keeper has assigned Marvin the Dragon, a blood-thirsty, uh, vegetarian, warrior, to his side. (STL001778)

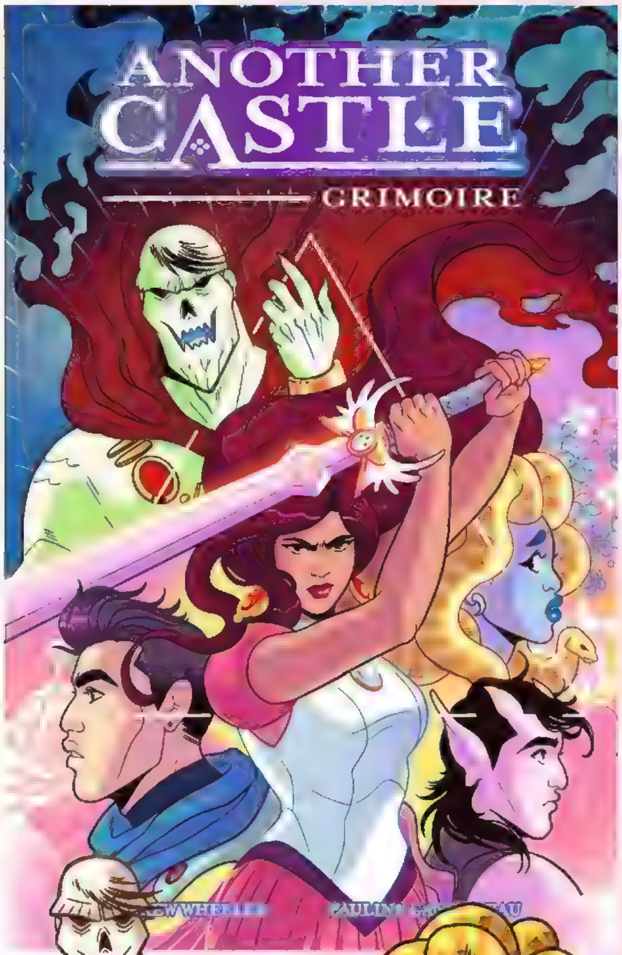
ANOTHER CASTLE: GRIMOIRE

ANDREW WHEELER (W) PAULINA GANUCHEAU (A/C/CA)



152 Pages, **$15.99**, RELEASE DATE: **02/15/17**

Princess Misty of Beldora longs for a more exciting life, but gets more than she bargained for when she is captured by Lord Badlug, the ruler of the neighboring kingdom of Grimoire. He intends to marry her and conquer Beldora, leading the land into ruin and chaos. Together with the long-suffering citizens of Grimoire and a certain bumbling prince, Misty must fight to protect her kingdom and free both realms from Badlug's tyrannical rule. Misty is determined not to be another damsel in distress; instead, she'll discover just what it takes to be the hero of the story.

"It's a fascinating twist on a familiar trope, and one that fits into a very promising trend of indie comic series that embrace female empowerment and '90s nostalgia."
MTV.COM

"The best thing about Misty? She doesn't feel like she has to choose between being pretty and being tough—she's always ready to jump into action, even in her best dress."

Jeff's survived thus far, maybe he won't actually screw everything up! (unlikely)

"If you're the kind of person who reads your comics while wearing a top hat and monocle, it's possible that some of the humour here could be considered a bit "low brow", but for the rest of us, *Jeff Steinberg* offers up a hilariously irreverent look at what would happen if that one unremarkable guy you sorta know somehow became planet Earth's only hope to avoid destruction. And I think that's an concept we can all get behind."

The touch of her hands set off a string of shock waves in the deepest gush of his brain. It was like grabbing scalding ice. Steam lifted up into the air from the place they were touching and the heat was such that he knew he should be screaming out in pain, but there was nothing, only more shocks rattling his changing brain. And a smell — something lifting pleasure out of the pores of his mind. He didn't even feel it as she made a claw with her manicured nails and ripped out his throat, then she lifted her blood soaked lips and smiled softly at the face of the moon. (STL025967)

(W/A/CA) Peter Pants

The original naughty and nude pin-up queen, Bettie Page, is back in her very own live-action comic book, featuring real photos of her in and her nude modeling friends as they battle bad guys and lose their tops, and all their clothes in the process, with another exciting story of cliff-hanging excitement and laughs. The iconic pin-up girl has a doctor's appointment that quickly goes from bad to hurts when she realizes she's the next patient of the demented and disturbingly perverted Doktormentor: Jail Babe Surgeon, who plans to "sex-periment" on her curvy, perfect body! EVIL DEAD 2
A Merry DEADITE X-MAS
BALL • RICCARDI

Ho-ho-horror! Have a groovy *Evil Dead* holiday season with this brand new one-shot story that's guaranteed to put the undead into your holiday dread! This one-shot special "Peace On Earth" story pits Annie and Ash against a Christmas horde of Deadites at Santa's Snowy Garden, a rundown theme park. Pretty soon, it's Annie, Ash, the theme park staff, and time-traveling demon hunters against the forces of beloved but possessed holiday icons. The gang must use their knowledge of Elves, St. Nick, Misfit Toys, Snowmen, Angels, 10 Lords-A-Leaping, and annoying holiday songs to wish themselves a Merry Christmas of survival. Writer Georgia Ball (*Frozen, Evil Dead 2: Revenge of Jack the Ripper*) brings in the true holiday fear with art by the captivating Vincenzo Riccardi (*Aliens vs. Zombies*). (STL025468)

The world already knows Meg and Charles Wallace Murry, Calvin O'Keefe, and the three Mrs — Who, Whatsit, and Which — the memorable and wonderful characters who fight off a dark force and save our universe in the Newbery Award-winning classic *A Wrinkle in Time*. But in fifty years of publication, the book has never been illustrated. Now, Hope Larson takes the classic story to a new level with her vividly imagined interpretations of tessering and favorite characters like the Happy Medium and Aunt Beast. Perfect for old fans and winning over new ones, this graphic novel adaptation is a must-read. (STK663235)

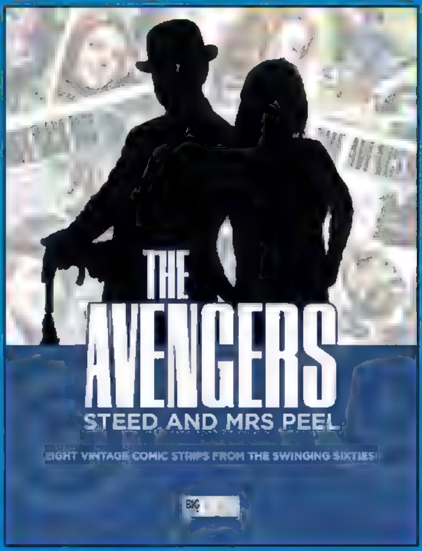
STAFF PICK



THE AVENGERS: STEED & MRS. PEEL: THE DIANA MAGAZINE 1966-67 COLLECTION GN

Recommended by Steve Leaf

Mrs. Peel, you're needed! You too, Steed! John Steed, top professional, and his partner, Emma Peel, talented amateur, otherwise and forever known as The Avengers return in this collection of classic and hard-to-find comic stories.

As an Avengers fan for years I'd only been able to find two of the Diana magazines from the UK containing the *Avengers* strips so this is a must have for me. In the days before home video, VHS or Beta, much less DVDs, comic books were the only visual representation of your favorite shows. To get *The Avengers* as comics there were various annuals and here in the states there was a Gold Key comic but then nothing until BOOM!'s *Steed and Peel* which had potential and, recently, DC and BOOM!'s *Batman '66 / Steed and Peel* which captured the feel of the *Batman* series and the over-the-top final Emma Peel year of *The Avengers*. Fun!

In this collection of these beautifully drawn strips that ran at two pages a week from issues #199 to #224 featuring art by Emilio Frejo and assisted by Juan Gonzalez, the actual Avengers are there with umbrella, charm, and bowler hat in eight stories. The book also includes interviews with the actors of Big Finish's audio adaptations of the comics, Julian Wadham (John Steed) and Olivia Poulet (Emma Peel).

This will be a welcome addition to any *Avengers* fan collection of books. I know mine will be with my *Avengers* and *New Avengers Annuals*, my books by Dave Rogers, and my signed copy of *Blind in One Ear*. A book even a Mother would love.

Don't Be Cruel: Akira Takanashi's Story

Story and Art by Yonezou **NEKOTA**

Polite and proper college student Akira Takanashi has a secret. Back in high school, he fell deeply in love with his teacher but was spurned. Now, whenever the pain of his heartbreak gets to be too much, he finds comfort in the arms of med student and notorious playboy Shimagawa—very adult comfort. Shimagawa would gladly go out with him, but Akira's past heartbreak means he insists on keeping things strictly physical—that is, until his obsessed younger brother Jutta arrives to disrupt this comfortable routine!

RINGWORLD GN'S

(W) Larry Niven, Robert Mandell (A/CA) Sean Lam

A modern science fiction classic, *Ringworld* won the Hugo and Nebula Awards for best novel in 1970. Now this SF classic is adapted into a thrilling manga adventure. Two-hundred-year-old human Louis Wu is recruited by a two-headed alien named Nessus to join him, a felinoid warrior alien named Speaker-to-Animals, and the infinitely lucky human Teela Brown to explore an alien artifact. They find a Ringworld, a ribbon millions of miles long built around a distant sun. The civilization has fallen into savagery, though, and after crashing into the Ringworld, Louis must come up with a clever plan to get back to known space, hundreds of light years away. (STK643087)

ROBERT JORDAN'S THE EYE OF THE WORLD

(W) Chuck Dixon, Robert Jordan (A/CA) Chase Conley

Robert Jordan's epic fantasy tale begins with Rand al'Thor and his friends Matrim and Perrin at the spring festival. Soon, he and his friends are fleeing his home village with Moiraine, Lan, and Egwene al'Vere, the innkeeper's daughter, who wishes to become an Aes Sedai. As they run for their lives, Moiraine and Lan begin to teach the young people what they need to know to survive in this dangerous world. (STK528419)

(W) Chuck Dixon, Robert Jordan
(A) Harvey Tolibao, Mike S. Miller
(CA) Mike S. Miller

In the years before his death, Robert Jordan worked closely with Chuck Dixon on the graphic adaptation of *New Spring*. The story tells of the search for the infant Dragon Reborn and of the adventures of Moiraine Damodred, a young Aes Sedai, and Lan Mandragoran, the uncrowned king of a long-dead nation. Adapted by Chuck Dixon and illustrated by artists Mike Miller and Harvey Tolibao, *New Spring* will delight any of Robert Jordan's millions of readers. (STK430705)

COMIC BOOK FEVER

O/A COMIC BOOK FEVER SC

George Khoury presents a "love letter" to his personal golden age of comics, 1976-1986, covering all the things that made those comics great - the top artists, the coolest stories, and even the best ads! Remember the days when every comic book captured your imagination, and took you to new and exciting places? When you didn't apologize for loving the comic books and creators that gave you bliss? Comic Book Fever captures that era, when comics offered all different genres to any kid with a pocketful of coins, at local establishments from 7-Elevens to your local drug store. Inside this full-color hardcover are new articles, interviews, and images about the people, places, characters, titles, moments, and good times that inspired and thrilled us in the Bronze Age. A SINISTER VISION OF THE STALINVERSE!

FROM NEW YORK TIMES BEST-SELLING WRITER

JEFF LEMIRE

(BLOODSHOT U.S.A., *OLD MAN LOGAN*)

AND SUPERSTAR ARTIST

CLAYTON CRAIN

(4001 A.D., *CARNAGE*)

Out of the the pages of DIVINITY III: STALINVERSE...New York Times best-selling writer Jeff Lemire (*Death of X*) and comics superstar Clayton Crain (4001 A.D.) present the first of four essential specials chronicling the history of the Stalinverse's worldwide superhuman regime!

He's put down protests, led the purge of political undesirables, and executed dozens of traitors to the Soviet super-state. His name is KOMANDAR BLOODSHOT...and his existence is a hushed whisper among the terrified populace of the 21st century's global Soviet Union. But just who is this unrelenting enforcer of state superiority... and what is the shocking truth about his power, his allegiances, and his true identity?

Valiant's first reality-shattering event explodes outward as Jeff Lemire & Clayton Crain lead KOMANDAR BLOODSHOT from DIVINITY III...and into a gut-wrenching tale of power, sacrifice, and authority that will take Valiant's blood-stained icon to his most punishing depths yet!

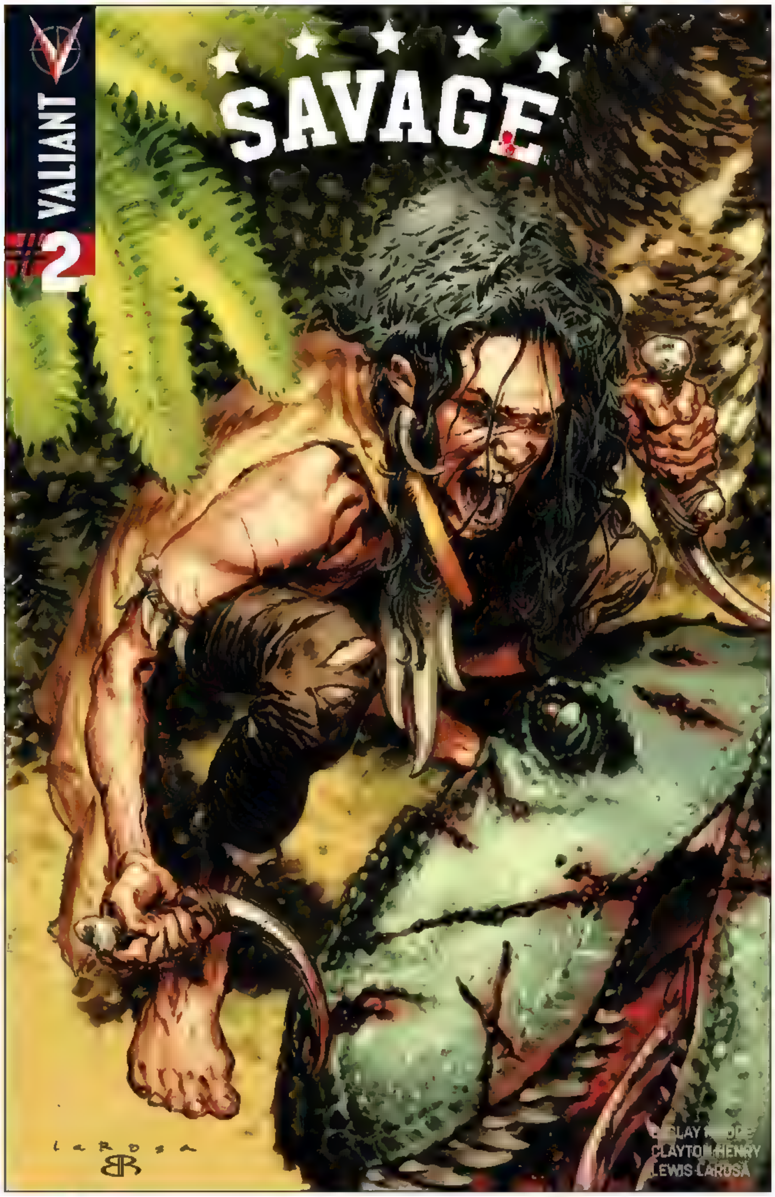
LEWIS LAROSA
(BLOODSHOT REBORN)



Nature conquers all!

Marooned in an unforgiving prehistoric landscape, high society's most privileged celebrity family is fighting tooth and claw - literally - for survival. With no shelter, no weapons and no escape, the Savage family is about to come face to face with the cruelest laws of nature - in the form of the lethal dinosaurs that somehow stalk the impossibly ancient island that has become their home. Once they lose everything - and each other - what part of them will endure? Where will the man inside each of them end...and the animal begin?

It's survival of the fiercest as acclaimed writer B. Clay Moore (*Aloha, Hawaiian Dick*) and blockbuster artists Clayton Henry (HARBINGER WARS) and Lewis LaRosa (BLOODSHOT REBORN) catapult the fiercest Valiant hero of all time into the bone-breaking comic book debut that will have everyone talking!

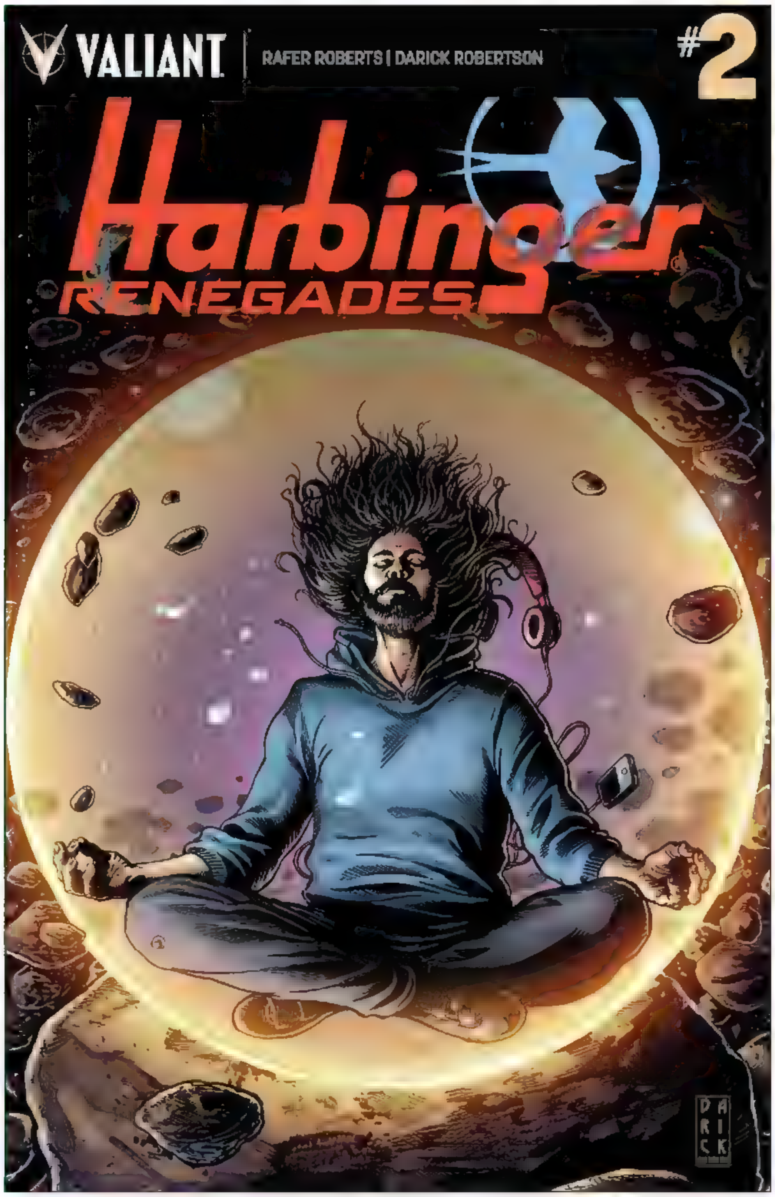
Harbinger RENEGADES #2



THE MOST DANGEROUS SUPERHEROES ON THE STANDS!

FROM HARVEY AWARD NOMINEE

RAFER ROBERTS

(A&A: THE ADVENTURES OF ARCHER & ARMSTRONG)

AND SUPERSTAR ARTIST

DARICK ROBERTSON

(*THE BOYS*)

They're in your towns. In your schools. And inside your minds...

Kris Hathaway, Peter Stanchek, Faith Herbert, and John Torkelson thought they could go underground. They thought they could get their old lives back. They were wrong. As four psionically powered "psiots" that can defy the laws of physics with a thought alone, this extraordinarily dangerous team of renegades won't be able to escape the fight that society has brought to their door. As a violent, new superpower movement spreads across the suburbs, America's only hope will be the teenagers it wished it could forget.

Chaos is coming home as Harvey Award nominee Rafer Roberts (A&A: THE ADVENTURES OF ARCHER & ARMSTRONG) and superstar artist Darick Robertson (*The Boys, Wolverine*) continue the most subversive, most fearless new superhero series of the fall!

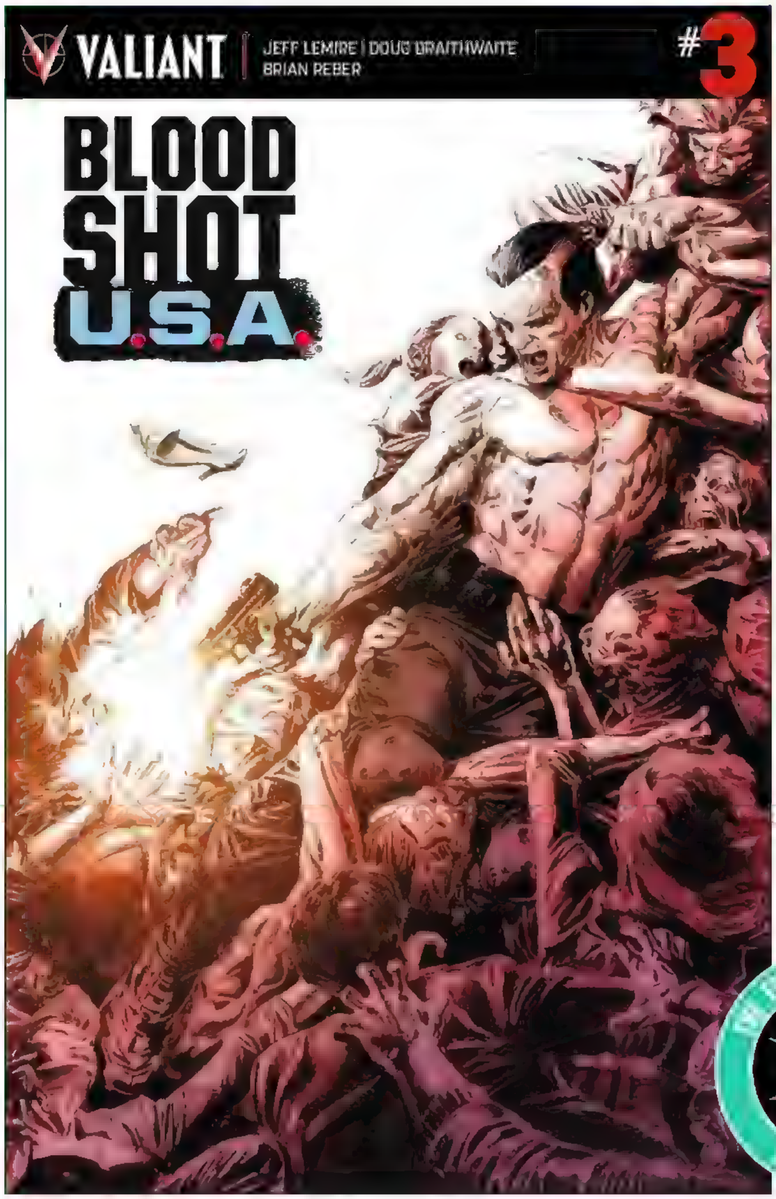
DOUG BRAITHWAITE

(ARMOR HUNTERS, *JUSTICE*)



War for the home of the brave!

New York City is in flames. From the Bronx to Broadway, panic has taken hold...and Project Rising Spirit's latest experiment - an airborne weapons test designed to turn eight million New Yorkers into nanite-infected killers - is already paying dividends. America's politicians have demanded action...and you can bet your bottom dollar they're going to get it when Bloodshot and Deathmate make a last stand to defuse NYC's very own armageddon!

The explosive standalone comics event of the fall reaches a fever pitch as New York Times best-selling writer Jeff Lemire (BLOODSHOT REBORN, *Moon Knight*) and superstar artist Doug Braithwaite (ARMOR HUNTERS, *Justice*) unleash the next barrage in Bloodshot's borough-busting battle royale!

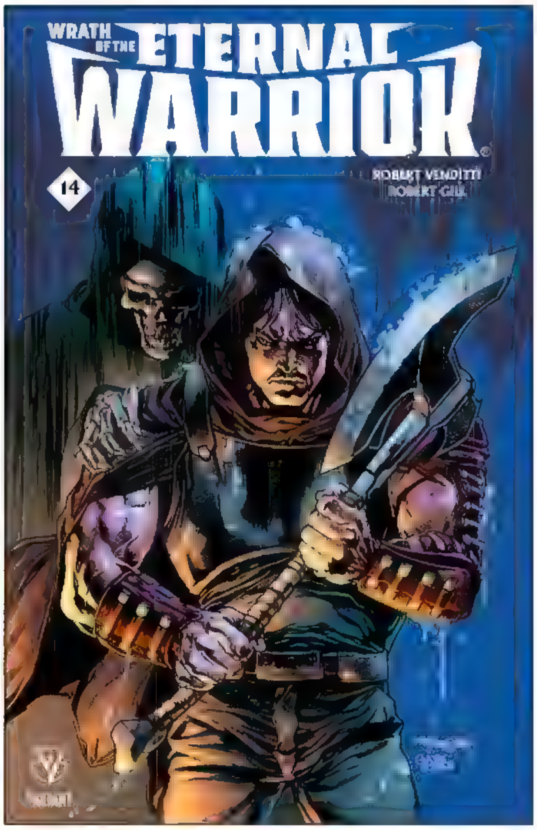
WRATH OF THE ETERNAL WARRIOR #14



Out of the abyss...and into oblivion!

Gilad Anni-Padda has faced tanks, trenches, and legions many thousands strong. Now, true peace is finally within reach of the man that myth calls the Eternal Warrior...but, to claim it, he must undertake a mission beyond the grasp of any mortal soldier...and rescue the soul of his long-lost son from the underworld. But to venture into the land of death itself means suicide even for an immortal master of war... and the cruel being known as the Pale Herder intends to make sure that this time, Earth's Fist and Steel stays dead once and for all...

STAR TREK: BOLDLY GO #1

Recommended by Matthew Demory

Star Trek has always been part of my life. My father experienced the original show when he was younger and passed that experience on to me. Where he watched the original series I grew up with *Star Trek: The Next Generation*. I still vividly remember sitting on the couch with my dad, getting ready to watch the season 5 premier "Redemption II" in glorious standard definition.

Today *Star Trek: The Next Generation* is considered by many to be an iconic series. When it was first announced there were a lot of concerns about whether that series would ever get off the ground. How could you do a sequel to a popular TV series that had aired its last new episode decades past and with a whole new cast?

I think it was the success of *Next Generation* that really proved to a lot of people that the *Star Trek* brand not only still had legs but it could appeal to generations that were born after the original series was already in re-runs. Now with the rebooted movies, we are seeing things come full circle. New eyes are seeing these characters for the first time and now they have a massive library of movies, TV and comics for the first time.

Star Trek: Boldly Go #1 from writer Mike Johnson (*Star Trek/Green Lantern: The Spectrum War*, JAN160395) and artist Tony Shasteen (*Batman: Arkham Unhinged*, NOV140307) will be required reading for new fans of the movies. Picking up right after the events of *Star Trek Beyond*. The adventure always continues. There are always new worlds to discover, new aliens to meet, and a brighter future for all of us in Gene Roddenberry's universe.

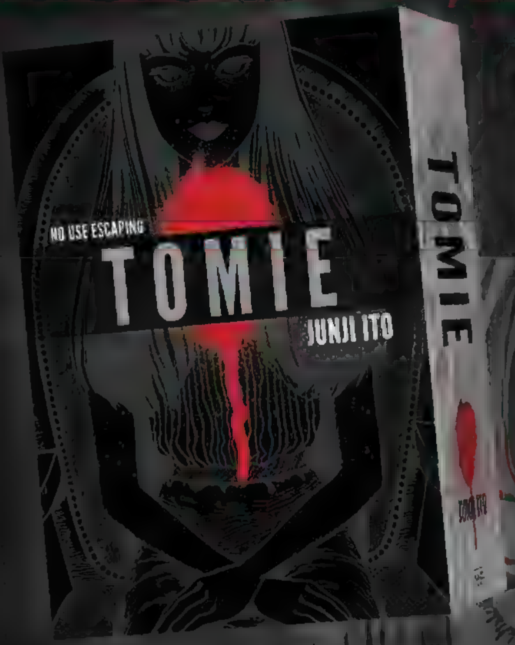
JUNJI ITO'S DEBUT SERIES IS FINALLY BACK IN PRINT IN A DELUXE HARDCOVER EDITION!



TOMIE

Tomie Kawakami is a femme fatale with long black hair and a beauty mark just under her left eye. She can seduce nearly any man, and drive them to murder as well, even though the victim is often Tomie herself. While one lover seeks to keep her for himself, another grows terrified of the immortal succubus. But soon they realize that no matter how many times they kill her, the world will never be free of Tomie.

THE BOOK OF GENESIS ILLUSTRATED BY ROBERT CRUMB HC

Prose to Panels

The eagerly awaited graphic work retells the first book of the Bible in a profoundly honest way. Peeling away the theological and scholarly interpretations, R. Crumb, using the actual text work for work, has imagined the Bible as it really was. First serialized in *The New Yorker*, this graphic work is now available in a collected edition. (STK455937)

The charming world of Berrybrook Middle School gets a little bigger in this follow-up to Svetlana Chmakova's *Awkward!* Still on high alert about the looming threat of sunspots, Jensen of the art club reaches out to the school newspaper to spread his message. But when Jenny and Akilah discover that Berrybrook's resident bullies have set their sights on Jensen, the girls are determined to use their positions on the school paper to shine a light on the issue. When a different incident causes a rift in their friendship, though, working together for the sake of the story may be impossible. As the bullying escalates, will Jensen be left to face this fate worse than sunspots entirely on his own? (STL023955) (C: 0-1-0)

Penelope — Peppi — Torres, a shy new transfer student, wants nothing more than to fit in and find a place among her fellow artistically inclined souls. The last thing she wants is to stand out. So when she bumps — literally — into quiet, geeky, friendly but friendless Jamie Thompson, and is teased as the "Nerder's Girlfriend," Peppi's first embarrassed instinct is to push him away and run. She has no reason to speak to him, anyway, until she ends up bumping — figuratively and continually — into Jamie again! Will these two opposites ever see eye-to-eye, let alone become friends? THE ASTERISK WAR VOLUME 2: ACADEMY CITY ON WATER LIGHT NOVEL

(W) Yuu Miyazaki (A/CA) Okiura

Having formed their tag-team partnership, Ayato and Julis begin polishing their skills and their teamwork in preparation for the Festa. But soon Ayato meets another girl — Kirin Toudou. She has long, silver hair and a petite charm, and, despite her thirteen years of age, she's one of the strongest fighters of Seidoukan Academy. She seems to like Ayato, but that's not going to stop her from challenging him to a duel! (STL024044) (C: 1-1-0) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

THE DEVIL IS A PART-TIMER! VOLUME 6 LIGHT NOVEL

Hell hath no fury like Satan on fries! The fast-food joint that the Devil King calls his workplace has reopened, now with a hip café space upstairs, the perfect chance for the overlord of all demons to earn a few new certifications and work his way up to management. Meanwhile, Chiho, whose love for the Devil King remains doggedly unrequited, discusses ways with Emi to learn how to master the Idea Link, a skill that could let her telepathically communicate across worlds and call for help whenever she makes contact with a nefarious demon...or angel, for that matter. Suzuno steps up to serve as her teacher — but her choice of training areas (a public bath) leaves the others to question her sanity! OOOOOOH DOCTOR!: A PICTORIAL HISTORY OF CLASSIC NURSE PAPERBACK COVERS SC

Certified Cool

(W) Daniel Herman, Mitch Itkowitz
The 1960s and 1970s witnessed upheavals in American culture, an explosion of new ideas in cinema; a renaissance in American abstract painting, and, yes, lots of semi-salacious, suggestive, and down right kitschy "Nurse Paperbacks" which boasted covers which were eye-catching and enticing. This book chronicles these covers and presents the first pictorial history of classic "nurse" paperback covers and features an in-depth essay about the genre and profiles many of the artists involved in creating the artwork for these tomes. Each cover, many reproduced from the original paintings, show the tongue in check humor employed in the creation these pop-culturally iconic covers. (STL025865) (C: 0-0-1)

KRAZY: THE BLACK AND WHITE WORLD OF GEORGE HERRIMAN HC

(W) Mike Tisserand
(A/CA) George Herriman

The creator of the greatest comic strip in history finally gets his due-in an eye-opening new life revealing the truth about his heritage and fascinating double life. Born and raised in the ethnic maelstrom of 19th-century New Orleans, George Herriman, the creator of the seminal comic strip *Krazy Kat* came of age as an illustrator, journalist, and cartoon artist in the boom town of Los Angeles and the wild metropolis of New York. Rocketing to early fame in the newspapers of the early 20th century, Herriman's work was both hugely popular and widely acknowledged as the cartoon that elevated cartoons from daily diversions to an anarchic art form. Yet underlying his whole life — and often sneaking into the contours of his very public art — was a very private fact: known as "the Greek" for his swarthy complexion and curly hair, Herriman was in fact an African-American. Drawing on deep original research into Herriman's family history and on a deep reading of the artist's work and surviving written records, Michael Tisserand restores this little-understood figure to vivid life. DC SUPER HERO GIRLS: BATGIRL AT SUPER HERO HIGH HC

(W) Lisa Yee

Batgirl has always hidden in the shadows — but does she have what it takes to stand in the spotlight at Super Hero High? Barbara Gordon is an off-the-charts, just-forget-about-the-test super-genius and a tech whiz, but she's also a total nobody. That is, until Supergirl recognizes that Barbara's talents make her an ideal candidate for Super Hero High. Donning the cape and cowl, Barbara Gordon becomes Batgirl, ready to train at the most elite school on the planet, next to some of the most powerful teenagers in the galaxy. She's always had the heart of a hero, and now she'll have to prove that she can be one. Good thing she loves a challenge! (STL025179)

SECRET HERO SOCIETY BOOK 2: FORT SOLITUDE HC

(W) Derek Fridolfs

(A/CA) Dustin Nguyen

Batman, Superman, and Wonder Woman are back along with a lot of new friends as their Secret Hero Society goes to Spring Break! Clark Kent is thrilled when he receives an invite to a spring break academic retreat. After taking down the villains of Ducard Academy the previous year, going back to life on the farm was a bit dull. Better yet, his friends Bruce and Diana have been invited there, too! What better way to spend spring break than with old friends (Poison Ivy, Harley Quinn) and new ones like Arthur Curry (Aquaman), Barry Allen (the Flash), and Vic Stone (Cyborg)? Well, that is until kids start disappearing, one by one. Plus, there's a lake monster, bigfoot has been spotted, there are reports of a boogeyman, and there may or may not be a UFO crashed into the lake. Clark, Bruce, and Diana will have to reassemble the Junior Detective — er — Criminal Investigation Unit, in an all-new, supernatural adventure! (STL025572) (C: 0-1-0)

When the TARDIS lands in a house in Florence, Italy in 1514, it isn't long before the guards of Guiliano de Medici arrest Steven and Vicki. To rescue them, the Doctor has to employ the help of the house's owner, one Niccolo Machiavelli. But can he be completely trusted? Guiliano confesses to his brother Pope Leo X that he has angered the wealthy family of Ravelli and believes the newcomers may be part of an assassination plot. But when the Doctor arrives an already tricky situation starts to spiral out of control. As the city rings with plot and counter-plot, betrayal and lies abound. The Doctor and his friends must use all their ingenuity if they're not to be swept away by history. (STL024550)

Starring Colin Baker as the sixth Doctor, with Miranda Raison as Mrs. Clark. In the Galactic Census, idyllic Strellin is protected: landings by off-worlders are strictly prohibited. Unless, of course, those off-worlders are officials of the Galactic Census itself, come to investigate the origin of a mysterious subspace signal, a signal no native of Strellin should be able to send. Breaking all local bylaws, the Doctor and Constance have only just landed on Strellin, too. But they and the Census officials aren't the only off-worlders to have come here. Inside a nearby monastery, the monks of the reclusive Brotherhood of the Black Petal are guarding a strange and terrible secret. Something might bring disaster not just to Strellin, but to every civilized world in the galaxy! (STL024709)

ROGER ZELAZNY'S HERE THERE BE DRAGONS: THE BODE ILLUSTRATED EDITION HC

(W) Roger Zelazny (A/CA) Vaughn Bode

In a tiny, isolated kingdom long ago and far away, everyone believed that the world beyond was infested with fearsome, fire-breathing dragons and no one dared venture forth. No one, that is, except William, fourth (and wisest) advisor to the king, whose bravery would change forever the course of events in the little kingdom. The princess' birthday party promised to be a gala affair. The great dining hall of the palace resounded with music. There was dancing and wine and big platters of food. There was everything that a person could possibly want at a birthday party. Except for fireworks, that is. Or a fire-breathing dragon. Illustrated with 6 full-page color illustrations as well as a full color wrap-around cover by Vaughn Bode. (STL024114)

When Susi cut through the old orchard, shady and secret and out-of-the-way, she was alone. Then, on a fine, warm, sunny day during the last week of school she met Herman, a lonesome pterodactyl sunning himself on a rock. So began an extraordinary summer of friendship, adventure, discovery and magic. "Drink in the night," he said. "Breathe deeply. Look at the world all laid out before you, sparkling through the dark. It is your world, warm-blooded Susi, not mine." Take flight with Susi and Herman for an adventure never to be forgotten, one that will leave you filled with joy and touched with sadness. Illustrated with 6 full page color illustrations as well as a full color wrap-around cover by Vaughn Bode. (STL024117)

GEORGE LUCAS: A LIFE HC

(W) Brian Jay Jones

On May 25, 1977, a problem-plagued, budget-straining, independent science-fiction film opened in thirty-two American movie theatres. Conceived, written, and directed by a little-known filmmaker named George Lucas, *Star Wars* reinvented the cinematic landscape, ushering in a new way for movies to be made, marketed, and merchandised. And if that wasn't game-changing enough, Lucas went on to create another blockbuster series with Indiana Jones, and completely revolutionized the world of special effects and sound systems. His work and legacy have led to a rash of innovation and democratization in film and television. Simply put, George Lucas is one of the most influential filmmakers of the past fifty years. NINTENDO 64 ANTHOLOGY COLLECTOR'S EDITION HC
(W) Math Manent
September 29th, 2016, marks the Nintendo 64's twentieth anniversary. To celebrate the birth of this incredible avant-gardist machine, Matt Manent has written the most comprehensive and remarkable book about this legendary console. 348 pages long, this book inventories and chronicles the entire game library (388 games sold in Japan, the US, Europe, and Australia), sifts through the canceled games, accessories, collector's editions, and, of course, every Nintendo 64 version and bundle. By interviewing the people involved at the time — including Martin Hollis (Rare, *GoldenEye*) and Eric Caen (Titus, *Superman*; acknowledged as one of the machine's worst games) — Matt Manent has worked to make this book an encyclopedia honoring the Nintendo 64 we've all come to love. ALIEN: DERELICT SHIP STATUE

From Hollywood Collectibles Group. This officially licensed model measures 21" long and was molded directly from the model that was displayed at the 2012 HR Giger exhibition at the Wynn Resort in Las Vegas. This intricately detailed model captures perfectly the biomechanical nature of the Derelict ship from Ridley Scott's *Alien*, and comes complete with a base designed to replicate the desolate surface of LV-426. As with all Hollywood Collectibles pieces, this museum-quality model is constructed from heavyweight polystone and then hand painted to the finest detail. Limited to 500 pieces worldwide. (STL022945) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in November 2016. (7740/9352) (C: 1-1-2)

ALIENS: ALIEN WARRIOR LIFE-SIZE STATUE

From Hollywood Collectibles Group. "They mostly come at night. Mostly." The officially licensed 1/1-scale *Aliens Warrior Statue* is a magnificent, life-sized Xenomorph standing a full 80" tall and made by an *Aliens* SFX professional utilizing some screen-used components in its creation. Constructed from fiberglass and mixed media, and with intricate attention to detail, the *Aliens* Warrior is captured perfectly in a terrifying attack stance, and features a semi-posable tail. Each piece is hand-finished and individually painted with the *Aliens* Warrior's signature wet and glossy appearance. This stunning piece stands on an *Aliens* themed display base accentuated with atmospheric up-lighting. With a limited edition of just 150 individually-numbered statues, this is the ultimate centerpiece for anyone's *Aliens* collection! 1:8 Scale Hoverboard w/8" Half Pipe Base
NeoLev

O/A BACK TO THE FUTURE II: HOVERBOARD 1:8-SCALE REPLICA WITH 8-INCH HALF PIPE BASE

The NeoLev *Back to the Future 1:8 Scale Hoverboard with 8" Half Pipe Base* operates on the principle of magnetic repulsion. A clear acrylic base contains an anisotropic rubber magnet (aka, "track") which creates a repulsive force against the embedded anisotropic magnets in the board allowing for levitation at an impressive height proportional to that depicted in the movie. The 3 1/4" ABS plastic long board (fingerboard) hovers at 0.5"! The track has a slight bend akin to a half pipe allowing the board to move forward and aft along with unique recoil characteristics when pressed down. Wheels not included. Details include accurate and durable vinyl decal placed on Marty McFly's pink board and optimal magnet geometry for maximum levitation. (STL009576) **Available Now!** (3313/BTTF8S) (C: 1-1-2) **NOTE:** Available only within the United States—No U.S. Territories.

FANTASY FIGURE GALLERY: DC COMICS COLLECTION: BATGIRL 1/6-SCALE RESIN STATUE

From Yamato USA. Gotham City, like any other large metropolis, abounds in girls of all shapes and sizes — debutantes, nurses, stenographers... and librarians. But this Gotham City public librarian and daughter of Gotham's Commissioner James Gordon is a different kind of girl, for tonight our shapely, brassy haired, heroine stands tall in her cape and cowl and is known as Batgirl! Poised one of the many gargoyles overlooking the city, she brings with her something that Batman can't carry in his utility belt — a woman's charm and her intuition! Designed by acclaimed artist Luis Royo, this statue of Batgirl measures 12" tall on a 6" tall base. **NOTE:** Final product may look slightly different from the image shown. (STL025233) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in February 2017. DISNEY DESCENDANTS NEON FEATURE DOLLS

From Hasbro Toy Group. A new generation of Disney heroes and villains takes center stage in *Disney Descendants!* The daughter of Maleficent, *Mal* embraces who she is, including her unique style. Mal was born evil, and she struggles with trying to do what's right. This beautiful doll is ready to take fierce fashion and fluorescent fun to the next level with a super cool light-up dress, inspired by Mal's ensemble at the Neon Lights Ball in the Descendants animated short series, Wicked World. The doll's light-up outfit is sure to steal the spotlight! Wickedly fun and fashionable, *Evie* of the Isle of the Lost takes the Neon Lights Ball by storm! Imagine a mischievously good time with the daughter of the Evil Queen, whose journey to Auradon helped her discover she is so much more than what's in the mirror. This beautiful doll is ready to take fierce fashion and fluorescent fun to the next level with a super cool light-up dress. The doll's light-up outfit makes her a real showstopper and Queen of the Neon Lights Ball! (STL025335) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in October 2016. FANTASY

FANTASY FIGURE GALLERY GREEK MYTH: MEDUSA 1/6-SCALE RESIN STATUE

From Yamato USA. Through darkened ruins and statues she stirs, crushing ancient bones beneath her serpentine body as she hunts her prey. Part woman, part snake and what had once been long flowing hair is now a nest of angry vipers that hiss and spit as she quietly slithers among the headless statues of mortal fools who dared seek their fortune; but only found their death. Forever cursed by the goddess Athena, *Medusa* was once a beautiful woman, what remains now is a terrible visage that none dare look upon, lest they turn to stone — and now, she's found you! Look not into her eyes and avoid her hateful gaze, for if you do not, you will be forever added among her headless garden of statues, a victim of her fury! (STL025237) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in March 2017. (4368/351059) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

FANTASY FIGURE GALLERY GREEK MYTH: ZEUS 1/6-SCALE RESIN STATUE

From Yamato USA. With a crack of thunder and a booming voice, behold *Zeus:* the Father of the Gods and cause of life always and to all things. Marvel at his power and might as he strides forward to his podium of judgment, preparing to judge you worthy of his benevolence or of his wrath! Born of Cronus and saved by his mother Rhea, Zeus was raised by Gaia before defeating his father to take the title: "King of the Gods" and taking Hera as his wife. Designed and crafted by the talented Wei Ho, let Zeus take center place and rule proudly over your Greek Myth collection as the "King of the Gods" should! **NOTE:** Final product may look slightly different from the image shown. MARVEL ANIMATED STYLE VISION STATUE

From Gentle Giant. When Ultron created Vision to destroy Hank Pym, he had no idea that Vision would one day become an Avenger. He also had no idea that Vision would be depicted in such a delightfully way! Adorably stoic, and, seemingly, continuing on his quest to understand humans, Vision is relegalized in 3D from his 2D alternative cover counterpart. The *Animated Vision Statue* was digitally sculpted, and then 3D printed on state of the art 3D Systems printers. The high-resolution prints were then used in the creation of prototypes needed to produce this animated collectible. Each animated statue is hand-cast, hand-painted, and hand-numbered with a limited edition certificate of authenticity. Make Mine Marvel! CHRONICLE: JURASSIC PARK: BREAKOUT T-REX STATUE

*From Chronicle Collectibles.*In 1993, Universal Studios, together with Steven Spielberg and Stan Winston Studios, changed movie history forever with *Jurassic Park.* This beautiful film combined the latest CGI technology, exquisite puppetry, incredible locations, and the best talent and staff that Hollywood had to offer all wrapped in one awe-inspiring and terrifying cinema masterpiece. The first few notes of the theme music still bring a smile to everyone's face. These are the memories that Chronicle Collectibles hopes to capture with the Jurassic Park Breakout T-Rex. This 1/20-scale statue features the female T-Rex as she roars in triumph after setting herself free from her pen. The base is inspired by the shape of the T-Rex pen on the map of the park and includes fence posts with what is left of the electrified cables. The lights on top do not light up on this model because, when she breaks free, the power is out. Each of these pieces are individually numbered and will be assigned numerically by the time and date of the order. This is a limited edition run of this one-of-a-kind statue. (STL025142) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in January 2017. (4522/CLSBREAKOUTTREX) (C: 1-1-2) **NOTE:** Available only within the United States and U.S. Territories.

CHRONICLE: KING CONAN 1/4-SCALE STATUE

From Chronicle Collectibles. "And unto this, Conan, destined to wear the jeweled crown of Aquilonia upon a troubled brow." The 1982 film *Conan the Barbarian* is based on stories written by Robert E. Howard. Cimmeria is a harsh northern land home to a strong race of people known for their hardiness and martial prowess. The beginning of *Conan the Barbarian* shows the Cimmerians being slaughtered by a group of warriors lead by Thulsa Doom. Conan's parents are murdered and he is sold into slavery with the rest of the children of his home. After years of slavery, Conan, played by Arnold Schwarzenegger, finds himself free of his bonds and encouraged to pursue his quest to avenge his parents. With the help of his newfound companions, Subotai and Valeria, he is able to infiltrate Thulsa Doom's cultish temple, the Temple of Set. After many fights and setbacks, Conan is able to retrieve his father's sword, behead Doom and burn his temple to ash. Chronicle Collectibles is proud to announce the *King Conan 1:4 Scale Statue*, modeled from the last scene of *Conan the Barbarian*, foreshadowing the series finale. Though, "the road to the throne is another tale." (STL025143) **Item has been previously solicited in *PREVIEWS Plus.*** Scheduled to ship in January 2017. (4522/CLSKINGCONAN) (C: 1-1-2) **NOTE:** Available only within the United States and U.S. Territories.

SUPER VERITECH FIGHTER

ROBOTECH: VF-1D 1/100-SCALE TRANSFORMABLE ACTION FIGURE

From Toynami. Toynami is happy to introduce its first ever *VF-1D!* The VF-1D Veritech used on Earth, was most commonly used in practice during the First Robotech War. It is well known for its tandem cockpit, which made it the primary vehicle for training Veritech pilots. This figure stands approximately 6″ tall, is fully articulated, and can be converted into three different modes: Fighter, Battloid or Gerwalk mode. The Armor pack includes forearm and leg armor, missile clusters, and thruster packs. Also included is a gunpod weapon accessory and an adjustable display stand, for maximum versatility and poseability. Fully equipped with a Super Veritech pack! TEENAGE MUTANT NINJA TURTLES: OUT OF THE SHADOWS: LEONARDO STATUE

From Vault Productions. New York City. An old menace returns. New mutations arise. The ultimate showdown approaches. Our heroes must rise up again to save the city they love, even if it means exposing themselves for who they truly are, the Teenage Mutant Ninja Turtles. They're four brothers who hate bullies and love New York City. These fierce teenage vigilantes serve and protect from the sewers, stealthy when needed but always bold. Leonardo is the leader of the team, serious and stoic, or, as Mikey says, "silent but deadly." Leonardo leads the way in Vault Production's series of turtles statues from *Teenage Mutant Ninja Turtles: Out of the Shadows.* The team at Vault Productions has crafted this highly detailed Leonardo sculpture with a foundational digital model from the feature film. Each statue is hand painted and looms large at approximately 1:5 scale. Leonardo features his twin swords at the ready. O/A DC COMICS
VARIANT PLAY ARTS KAI:
STEAMPUNK BATMAN ACTION FIGURE

From Square Enix. Square Enix's dream team of designers, sculptors, and engineers has each poured their heart and soul into creating the original designs of the *Variant Play Arts KAI* figures. Through generations, there has always been a force of justice that agents of crime, chaos, and evil have contended with. Inspired by the fantastic sci-fi subgenre of steampunk, the *Variant Play Arts KAI "Timeless"* series welcomes a new *Batman* to the fold. His Batsuit, with many design aspects inspired by turn of the century steam powered technology, offers a design that transcends time and space. Fine sculpting and paintwork, as well as careful consideration of the materials used, elevate the unique texture of steam-powered technology's functional beauty. For example, multiple gears and cogs can be seen through a transparent piece in the chest armor, and burnished bronze metallic color is used throughout. The technical machinery would not be out of place in an 1890s Batcave, and the gaslamp atmosphere evoked by the design is a perfect match for the Dark Knight. Figure also includes display stand and interchangeable hand parts. O/A DC COMICS VARIANT PLAY ARTS KAI TIMELESS: BATMAN OF SPARTA ACTION FIGURE

From Square Enix. The *Timeless* Series is Square Enix's newest endeavor. Through generations, there has always been a force of justice that agents of crime, chaos and evil have contended with. We bring you a combination of a fearless Spartan infantry soldier and our Dark Knight hero: *Batman.* Heavy armor with an overwhelming presence in battle, along with battle scars and damage that draw the viewer in, evoke the intensity of battle. Each piece of equipment expands upon the regal imagery and foreboding visage. A brawny physique and dark color brings together the iconic characteristics of a Spartan warrior and Batman, in a finish reminiscent of a fine sculpture that captivates the viewer. Figure also includes display stand and interchangeable hand parts. BATMAN: ARKHAM

OFFERED AGAIN

O/A BATMAN: ARKHAM KNIGHT PLAY ARTS KAI: HARLEY QUINN FIGURE

From Square Enix. Harley Quinn is the lovable villainess who isn't afraid of being called a liar or a cheat! To capture her acrobatic action poses, Square Enix incorporates clicking ball joints in her knees, a technology that allows her legs to look natural and hold poses while still maintaining a wide range of motion. Great care was taken in the sculpting of her outfit so as to accentuate her coquettish charms, but with paintwork that kept a signature creepy tone fit for a villain and mimicked realistic dirt and grime. It really feels like she has just stepped right out of Arkham City. This 10" figure comes with several accessories to tie up all of her unique craziness in one sweet package, including: an interchangeable head, hair pieces, a gun, a bat, and the police hat she wears in one of her most memorable in-game scenes. (STK679325) **Available Now!** (1089/662248816098) (C: 1-0-1) **NOTE:** Available only in the Western Hemisphere.

BATMAN VS. SUPERMAN

OFFERED AGAIN

O/A BATMAN V SUPERMAN DAWN OF JUSTICE PLAY ARTS KAI: BATMAN ACTION FIGURE

From Square Enix. Batman v Superman: Dawn of Justice depicts the clash of two iconic heroes in the DC Comics universe. The difference between Batman as opposed to Superman, who has been heralded as the hope for mankind, is rendered through the roughness of the Batsuit and cape. In addition to the flexible materials used in various parts, rolling joints have been implemented in the upper arms and thighs for a wider range of mobility, allowing for improved poseability. From recreating the likeness of his face to the texture of his body and suit, there are fine details incorporated within the simplicity, and the paintwork makes the care that was put into the sculpting shine. This figure — which also includes the various signature gadgets that Batman carries in his arsenal, a display stand and interchangeable hand parts — exudes the image of a dark hero that stands against the light. (STL003559) **Available Now!** (1089/662248816784) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

DISSIDIA: FINAL FANTASY PLAY ARTS KAI: SQUALL LEONHART ACTION FIGURE

From Square-Enix! Squall is a fan favorite amongst the protagonists of the *Final Fantasy* series. In *Dissidia Final Fantasy*, Squall's proportions are sharper, and our sculptwork shows how meticulously we pursued accuracy in recreating his silhouette. The paintwork is delicately applied throughout: it is evident in Squall's intense expression, indicative of his personality; the accurate texture of his leather jacket and pants with the fur accents; the fine details in the gunblade which even have realistic splotches on the metal. In order to allow for versatile posing, this figure includes various wrist parts in its accessories. The collector can enjoy Squall's heroic stance as he holds his gunblade, making this figure a must-have for fans of this iconic hero. Figure includes display stand and interchangeable hand parts. MONSTER MUSUME: MIIA PVC FIGURE

From Di Molto Bene! Monsters. They're real, and they want to date us! Thanks to the "Cultural Exchange Between Species Act," once-mythical creatures have assimilated into society, or at least, they're trying. When a hapless human teenager named Kurusu Kimihito is inducted as a "volunteer" into the government exchange program, his world is turned upside down. A snake-like lamia named Miia comes to live with him. Unfortunately for Kurusu, Miia is undeniably sexy and, even worse, when a ravishing centaur girl and a flirtatious harpy move in, what's a full-blooded teenage human with raging hormones to do? *Miia*, the gorgeous redheaded lamia from the manga *Monster Musume*, is sculpted with exquisite detail, from her flowing locks to her serpentine tail! Made of PVC, Miia stands 7 7/8" tall. (STL023763) **Item has been previously solicited in *PREVIEWS Plus*.** Scheduled to ship in January 2017. MARVEL HEROES

OFFERED AGAIN

O/A MARVEL UNIVERSE VARIANT PLAY ARTS KAI: SPIDER-MAN ACTION FIGURE

From Square Enix. Spider-Man has been designed with one of the widest ranges of motion of any Play Arts ~KAI~ to date, so he can do whatever a spider can! Spidey retains his iconic slender, lithe physique and wide range of flexibility. His classic red and blue suit now has touches of black for added depth, and the iconic spider webbing is accentuated with a metallic sheen. Spider-Man can be posed slinging either translucent webbing from his wrists, or a net-shaped spider web to trap his foes. This 10" tall figure comes with various interchangeable hand pieces to recreate all kinds of Spidey-like action poses, including his signature upside-down dangling pose. (STK679327) **Available Now!** (1089/662248816302) (C: 0-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.
Figure $120.00

O/A MARVEL UNIVERSE VARIANT PLAY ARTS KAI: CAPTAIN AMERICA ACTION FIGURE

From Square Enix. Clad in a star-spangled red, white and blue, *Captain America* is the embodiment of patriotism. His iconic costume gets Square Enix's distinctive variant touch and is rendered in the form of a protective armor to showcase and elevate his awe-inspiring presence. His signature round shield maintains its classic colors, and can be placed either in his hand or on his back with ease. The joints have a wide range of motion for dynamic posing, including wielding his shield as a projectile weapon, giving you the option of recreating Captain America's characteristic moves. These elements and a modern interpretation of the character takes this action figure to another level! Figure includes display stand. (STK690327) **Available Now!** (1089) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.
Figure $149.99

O/A MARVEL UNIVERSE VARIANT PLAY ARTS KAI: VENOM ACTION FIGURE

From Square Enix. *Venom* is a symbiotic relationship incarnate: a human host co-existing with a sentient alien parasite, appropriately called a "symbiote." This figure portrays the ominous presence of Venom through his hulking physique, his toxic color scheme, the web-like patterns stretched across his skin, and his ghoulish, sprawling tongue. The contrast of matte and glossy textures in the paintwork, along with his realistically grotesque maw make him a truly impressive figure. This figure's range of motion is unlike any living creature on earth, and can be posed in wild, contorted ways. Accessories include effect parts that show symbiote appendages reaching out like massive hands, showcasing and accentuating his extraterrestrial qualities. Figure includes display stand. (STK685440) **Available Now!** (1089/66224881647) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

STAR WARS: DEATH STAR CHIP & DIP BOWL SET

This is a baby Death Star. Know what that means? Death Stars reproduce. We could be in for a galaxy of trouble. While we're pondering that possibility and our own resultant demise, we're going to throw a going-away party that's out-of-this world. One that involves lots of chip and dip. And since everybody knows that dip is the important part of chip & dip, we've prepped for a lot of dip with these Star Wars Death Star Chip & Dip Bowls. How much? 64 oz. of dip. You might have to refill the chip bowl a few times to go through all that dip and maintain the appropriate ratio. We're okay with that. (STL026761) **Item has been previously solicited in *PREVIEWS Plus*.** (1740/IMVS-SW) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

MINECRAFT COOKIE CUTTERS

It used to be hard to get cookies in *Minecraft*. Now it's a lot easier to make Minecraft cookies, and our way doesn't even require you to farm cocoa beans, plus you end up with edible cookies instead of the on-screen variety. Mix up some cookie dough (or buy some premade). Roll it out and use these 5 stainless steel cutters to make iconic Minecraft shapes. The set comes with cutters shaped like a pickaxe, a sword, a player, a cookie, and a Creeper. Aaaaiiiee! Creeper? Guess that's just the way the cookie crumblessssssss. (STL026764) **Item has been previously solicited in *PREVIEWS Plus*.** (1740/1207) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, U.S. Territories, Australia, & New Zealand.

ZOMBIE BAKING CUPS

Zombies have a certain caché to them. People identify with them, somehow - their dogged determinedness, their singular all-consuming drive to devour human flesh.... Well, maybe that part is kinda gross, but we can be zombie-like without actually becoming cannibals. Cupcakes can also be delicious, and because they can be made in molds, can be made to look like the filet mignon of zombie cuisine — brains! This set of *Zombie Baking Cups* is designed to look like little cartoony zombie heads. When made, they puff out, and can be decorated with pink (or green) frosting designed to look just like the looping whorls of neurons and myelinated axons. Mmm, delicious! (STL026768) **Item has been previously solicited in *PREVIEWS Plus*.** (1740/IRKU-NOA) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

ROYO
DARK TAROT

LUIS ROYO'S DARK MINI TAROT DECK

(A) Luis Royo
From Llewellyn Publications. Luis Royo, one of the most popular fantasy artists of our time, invites us into a vivid world of haunting beauty, where justice is swift and transformation is inevitable. Shimmering nightscapes are dominated by deadly female warriors, noble armored knights, and luminescent nature creatures, both wild and wise. Loosely based on the Rider-Waite-Smith tradition, Royo's sensual and empowering tarot deck urges you to confront your darkest fears, embrace your primal passions, and unleash the beast within. THE BOOK OF THOTH

BOOK OF THOTH: ETTEILLA TAROT DECK

From Llewellyn Publications. Here is an exciting new "historical" deck from Lo Scarabeo. If you found *Etteilla's Esoteric Ancient Tarots* fascinating in structure and symbolism, but thought the art stark and unsophisticated, this deck will be a dream come true. True to the spirit of Etteilla, the art retains an antique feel while being sophisticated enough to please the modern palate. TAROT DE MARSEILLE BY JODOROWSKY TAROT DECK

(A) Alejandro Jodorowsky
From Llewellyn Publications. Based on years of research with the goal of creating the definitive *Tarot de Marseille*, this deck is a labor of love that possesses fine details and the passionate workmanship of Phillipe Camoin — last heir to the centuries-old legacy of Marseillan cardmakers — and acclaimed artist and tarotist Alejandro Jodorowsky. Influenced most heavily by the deck of Nicolas Conver first printed in 1760, this premium deck is a treasure for readers and collectors. COLOR YOUR TAROT

COLOR YOUR TAROT DECK

From Llewellyn Publications. People everywhere are rediscovering the relaxation and joy that come from coloring. This deck of Rider-Waite majors is composed of colorable line art, so that you can color or decorate the cards to your heart's content. The expressive action of coloring is a fantastic way to study and integrate the classic symbols of the tarot while entering into a creative, meditative state of mind. Let your inner child be the hand and your higher self be the guide to an unforgettable tarot experience. POKÉMON 25-OUNCE TRITAN WATER BOTTLES

From Zak Designs. Pokémon characters help save the planet and make hydration fun with these reusable 25-ounce water bottles! The surface is extremely clear and won't crack or craze, so it's easy to see the beverage inside. The molded shape of the bottle is easy to hold, and the wide mouth is large enough to fit ice cubes. It's small enough to fit in most car cup holders, so you can take their healthy hydration wherever you go, with help from the carrying loop built into the lid. The easy-open, flip-up spout is durable against biting, with a vent for continuous liquid flow, and when it's closed, the bottle is silicone sealed, leak-proof and watertight. Detach the flexible straw for easy cleaning; everything is both top rack dishwasher safe and BPA free. Choose from *Pikachu, Blastoise Evolution, Charizard Evolution*, or *Eevee Evolution*. **Item has been previously solicited in *PREVIEWS Plus*.** (3273) (C: 1-1-1) **NOTE:** Available only in the United States and Canada.

POKÉMON ZAKSNAK TUMBLERS

From Zak Designs. With the release of the new mobile game *Pokémon Go*, this franchise has revitalized overnight. The carefully designed Zaksnak lid of each Pokémon Zaksnak Tumbler has a simple rotating cover that rotates open when you want to reach your snacks. To help prevent spills, the screw-on lid has a secure fit and the cone-shaped tumbler design is easy for children to hold. The tumbler features threading on the inside so it can be used alone as a regular tumbler. The snack container portion can be fully removed for easy cleaning and can also be used on its own. The two-in-one zak.snak tumbler is approximately 3-1/2" in diameter and 7" tall from the base to the top of the straw. The tumbler portion holds about 10-ounce of your favorite beverage and the snack container holds about 4-ounce of snacks. Choose from *Pikachu, Eevee, Mew*, or *Charizard* designs. WARHAMMER 40K: ANGELS OF CALIBAN

(W) Aaron Dembski-Bowden

The Dark Angels Legion go to war, and their primarch's brutal actions threaten to tear apart the fragile alliance of Imperium Secundus. With the Dark Angels spread across a hundred systems, primarch Lion El'Jonson stands as Lord Protector of Ultramar, though his true motives are known to few indeed, and old rivalries on the home world threaten to tear the Legion in half. But when word comes of the Night Lords' attack on Sotha, the Lion's brutal actions bring Imperium Secundus once again to the brink of civil war. Not even the most fearsome warriors of the Dreadwing, nor any arcane secret of the Order, can guarantee victory if he sets himself against his loyal brothers. (STL026412) (C: 0-1-0)

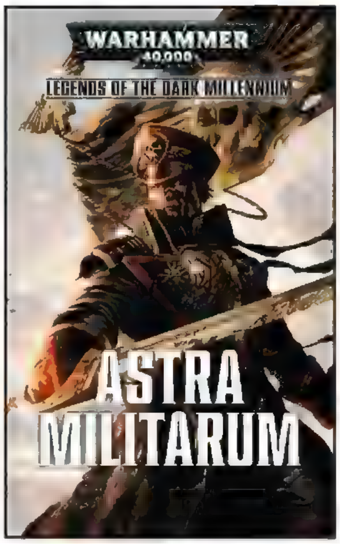
SC, 6x9, 480pgs, B&W..............$17.00

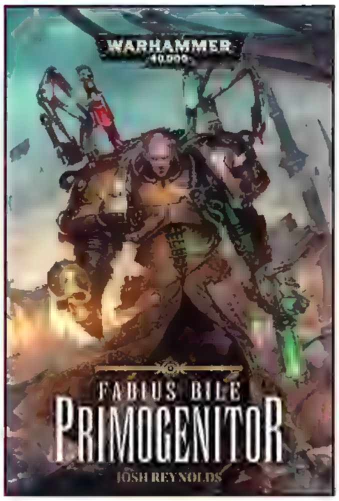
WARHAMMER 40K: ASTRA MILITARUM

(W) David Annandale & Various

Anthology of stories featuring the Astra Militarum, the backbone of the Emperor's armies. For ten thousand years, the massed armies of the Astra Militarum have defended the Imperium from the multitudinous horrors that seek to overwhelm it. With guns and tanks, determination and courage, these human soldiers fight across a thousand war zones, in a war that has no ending. This anthology showcases some of the most famous regiments of the Astra Militarum along with their charismatic commanders, heroes such as Commissar Yarrick and Colonel "Iron Hand" Straken. (STL026415) (C: 0-1-0)

SC, 5x8, 368pgs, B&W...............$16.00



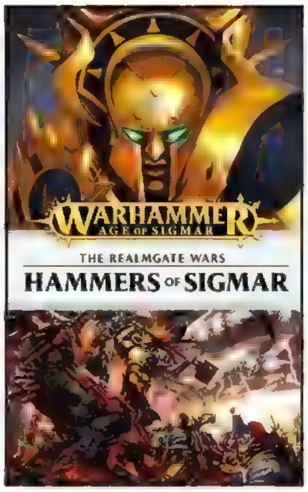


WARHAMMER 40K: FABIUS BILE: PRIMOGENITOR HC

(W) Josh Reynolds

The first novel in a new trilogy featuring the the infamous mad scientist Fabius Bile. He is known by many names — Clonelord, Manflayer, Primogenitor. He is the epitome of deceit and perversion, and feared by man and monster alike. Once the chief apothecary of the Emperor's Children, the madman known as Fabius Bile possesses a knowledge of genetic manipulation second to none. Now a renegade among renegades, he is loathed by those he once called brother, and even the most degraded of Chaos Space Marines fears his name. Exiled for his dark experiments, Bile has retreated deep into the Eye of Terror, leaving a trail of twisted abominations in his wake. (STL026413) (C: 0-1-0)

HC, 6x10, 384pgs, B&W $27.00



WARHAMMER: THE REALMGATE WARS—HAMMERS OF SIGMAR

(W) C. L. Werner, Darius Hinks

The God-King's champion battles his foes for the first time. Amongst all of the Stormhosts, none are more vaunted than the Hammers of Sigmar. In the shadow of the Nomad City, the mettle of the Stormbound is tested the battle to sanctify the Crucible of Blood, a gateway to Chaos and madness. Within the ranks of the Stormcast Eternals, there is one who is greater than all others. He is the Celestant-Prime. For centuries he slumbered, until the great hammer of Sigmar, Ghal Maraz, was returned. But a warrior born must still be tempered, and so unto the swamps of Krahl does Sigmar cast his scion to destroy a powerful creature called the Prismatic King. (STL026416) (C: 0-1-0)

WARHAMMER 40K: THE SILENT WAR

(W) Various

Anthology of tales about the secret missions that underpin the entire *Horus Heresy* series. While loyalist and traitor forces clash on a thousand battlefields across the galaxy, a very different kind of war is being fought in the shadows. Rogal Dorn and his Legion prepare to defend the Solar System against the armies of Warmaster Horus, even as Malcador the Sigillite charges his many agents and spies with missions of the utmost secrecy. The future of the Imperium is being shaped by unseen hands! This *Horus Heresy* anthology contains fourteen stories by some of Black Library's top authors, including James Swallow, Chris Wraight, John French, Anthony Reynolds, and many more. RAGNAR BLACKMANE

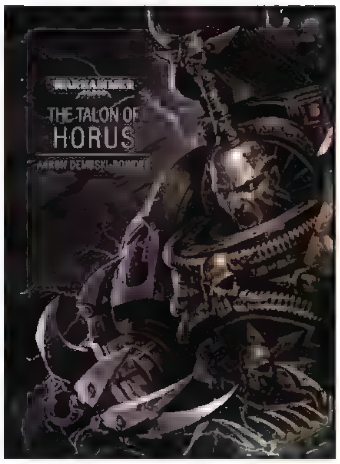
WARHAMMER 40K: RAGNAR BLACKMANE HC

(W) Aaron Dembski-Bowden

A brand new series of novels begins, featuring the legendary heroes of the Space Marines. Ragnar Blackmane is a legend of the Space Wolves, the youngest warrior ever to rise to command a Great Company. As he battles the forces of Abaddon the Despoiler on the war-ravaged world of Cadia, Ragnar remembers the events that brought him to this place and time, and relates two great sagas from his past, each bringing him into conflict with brother Space Marines from other Chapters, the secretive Dark Angels and savage Flesh Tearers. As these tales influence the events of the present, Ragnar comes to realise that his past actions have consequences. (STL026414) (C: 0-1-0)

HC, 5x8, 240pgs, B&W $19.00



WARHAMMER 40K: THE TALON OF HORUS

(W) Aaron Dembski-Bowden

The first volume in the *Black Legion* series, now available in trade paperback. When Horus fell, his Sons fell with him. A broken Legion, beset by rivalries and hunted by their erstwhile allies, the former Luna Wolves have scattered across the tortured realm of the Eye of Terror. And of Abaddon, greatest of the Warmaster's followers, nothing has been heard for many years. But when Horus's body is taken from its resting place, a confederation of legionaries seek out the former First Captain, to convince him to embrace his destiny and continue what Horus began. WHAT GROWS WITHIN

PATHFINDER PATH: STRANGE AEONS PART 5 OF 6: WHAT GROWS WITHIN

(W) John Compton

After finding the route to the lost city of Neruzavin, the adventurers must mount an expedition into the vast and deadly desert region called the Parchlands, where they hope to catch up to their treacherous former employer. They brave the deadly desert to arrive in an abandoned city at the edge of a lake where a Great Old One slumbers. The adventurers must track Count Lowls's party, recover a vile tome, activate the city's Star Stelae, and perform a powerful ritual that allows them to follow the Count to Carcosa. Along the way the characters must be careful they don't wake the slumbering Great Old One or stir up the flying polyps sealed beneath the city. *What Grows Within* is a *Pathfinder Roleplaying Game* adventure for 13th-level characters. FLIPSIDE

PROSE TO PANELS INTERVIEW:
Justin Eisinger

In honor of our "Prose to Panels" month feature, IDW Publishing's Senior Books Editor Justin Eisinger took time out of his busy scheduled this month to talk with ***PREVIEWS*** about their ongoing line of illustrated prose novels, and about the great authors who are working with them to bring new comics to life via original ideas or adaptations, such as Joe Hill, Richard Matheson, Stephen King, Richard Stark, and more!

PREVIEWS: Justin, tell us a little about yourself... what's your story so far?

Justin Eisinger: Guy answers Craigslist ad. Ten years and thousands of books later... *"Hi, I'm Justin!"*

P: Who was the first author to come to IDW? And was it for a straight adaptation of an existing work or a new project meant especially for the comics?

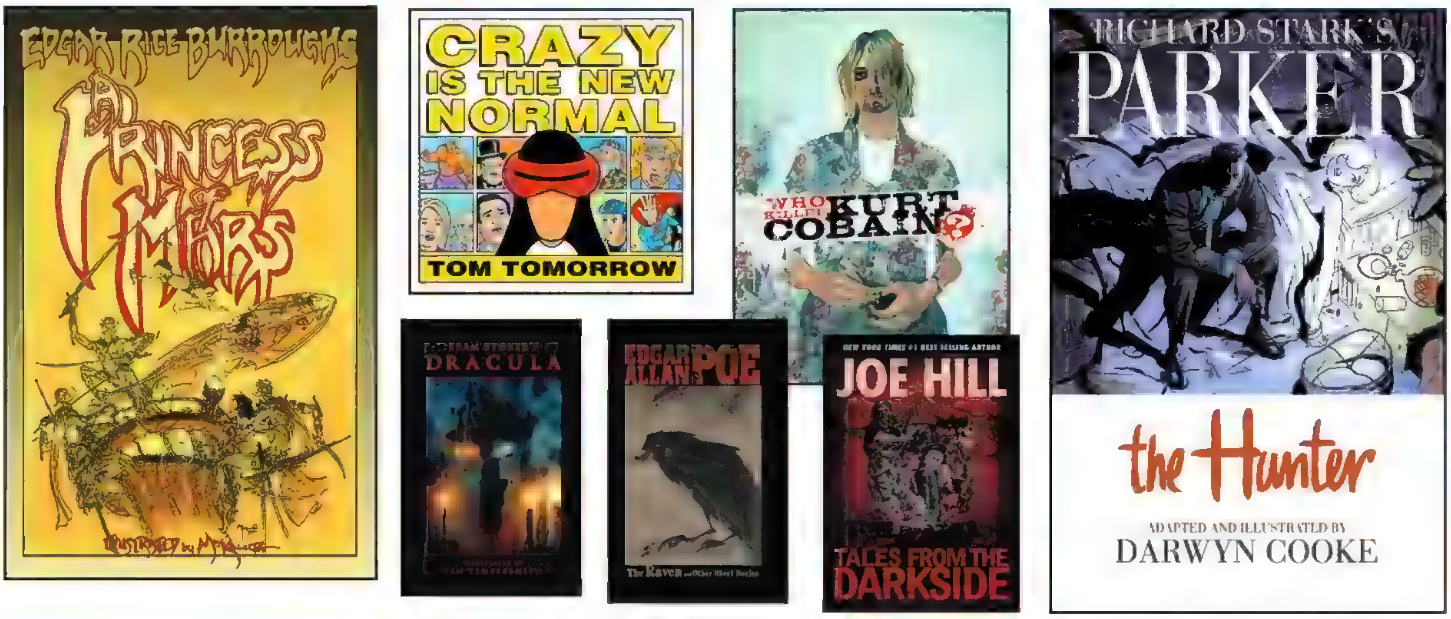
JE: Historically I'm pretty sure it's **Steve Niles**... you know, the guy that reinvigorated the horror genre with his little story called *30 Days of Night*? So that was for Comics. And it turned into a movie that most of you have probably caught once or twice. As for prose... well, that was a later entry for IDW. We dabbled in script books for TV shows like *Angel* or movies like *Scarface*, but nothing "just prose". That is, until a few years later when we had an imprint reprinting classic sci-fi by the masters, it was called *New Classics of the Fantastic*. The first book in that series was Nightwings by Robert Silverberg. Today we do several prose initiatives, most notably for *The X-Files* and *V-Wars* — both with Jonathan Maberry — and we're getting back into the script book category with a new *Tales from the Darkside* offering from Joe Hill.

P: Was there a concerted effort to produce prose projects, or was it more or less a "happy accident" due to the number of prose authors who came to work with IDW?

JE: IDW is a diverse publisher that does not shy from challenges or exploring new ventures, though one look at our backlist indicates that prose makes up a small sliver of our overall portfolio. But in this hyper-connected, instant-delivery era, we look at all avenues and opportunities when making publishing schedule decisions.

P: Are there certain criteria that IDW follows or looks for when lining up prose works to publish? Do you look for new works, or books that may be of a certain genre but have been out of print for an extended period?

JE: A quick glance at my prose bookshelf has us at 80% public domain and the other 20% licensed or original. Those numbers are certainly not exact so don't bother doing the math!



P: Being a comics publishing first and foremost, do you approach prose projects with an eye toward adding illustrations?

JE: In general IDW doesn't just print prose books — we add spot illustrations to famous works within the public domain to dress them up and offer something unique. *A Princess of Mars* with illustrations by Michael Kaluta. Three *Sherlock Holmes* prose volumes with art by Kelley Jones. *Bram Stoker's Dracula* as illustrated by Ben Templesmith. Sam Kieth adding his noir tones to Edgar Allan Poe. We do prose like only a comics publisher could!

P: What projects — either print or graphical — by prose authors do you have coming up that you can discuss?

JE: Is "too many" an acceptable answer? I think we should take a moment to talk about two projects I'm very passionate about. The first is our fictitious bok at Kurt Cobain's suicide in *Who Killed Kurt Cobain?* by Nicolas Otero. This captivating read explors this pop culture tragedy through the lens of Kurt's real-life imaginary friend, Boddah. True story: the real suicide note was addressed to Boddah. As a guy that grew up with *Nirvana* I was not immediately enthusiastic about this project, but it really grew on me and its voice is unique. You have to check it out.

The second is *Crazy is the New Normal* by Tom Tomorrow. Tom has been an indie illustrator for 25 years, filling alt weekly newspapers and online sites with his unique brand of social commentary. Last year he raised over $300,000 on Kickstarter to make a two-book set of all his work. Well, we wanted to bring that set to a wider audience so we prepared to do that… but then we also published a trade paperback of his most recent cartoons, and that one is *Crazy*. If you think this year's election is nuts, this is right up your alley.

P: Sadly, we lost Darwyn Cooke this year. His adaptations of Richard Stark's PARKER stories became some of the most talked-about and collected volumes produced by IDW. Is there any more PARKER material by Cooke that has yet to be published?

JE: Scott Dunbier was Darwyn's editor here at IDW, and I wouldn't presume to know *anything* about what he and the estate have planned. Expect to know more when the time is right.

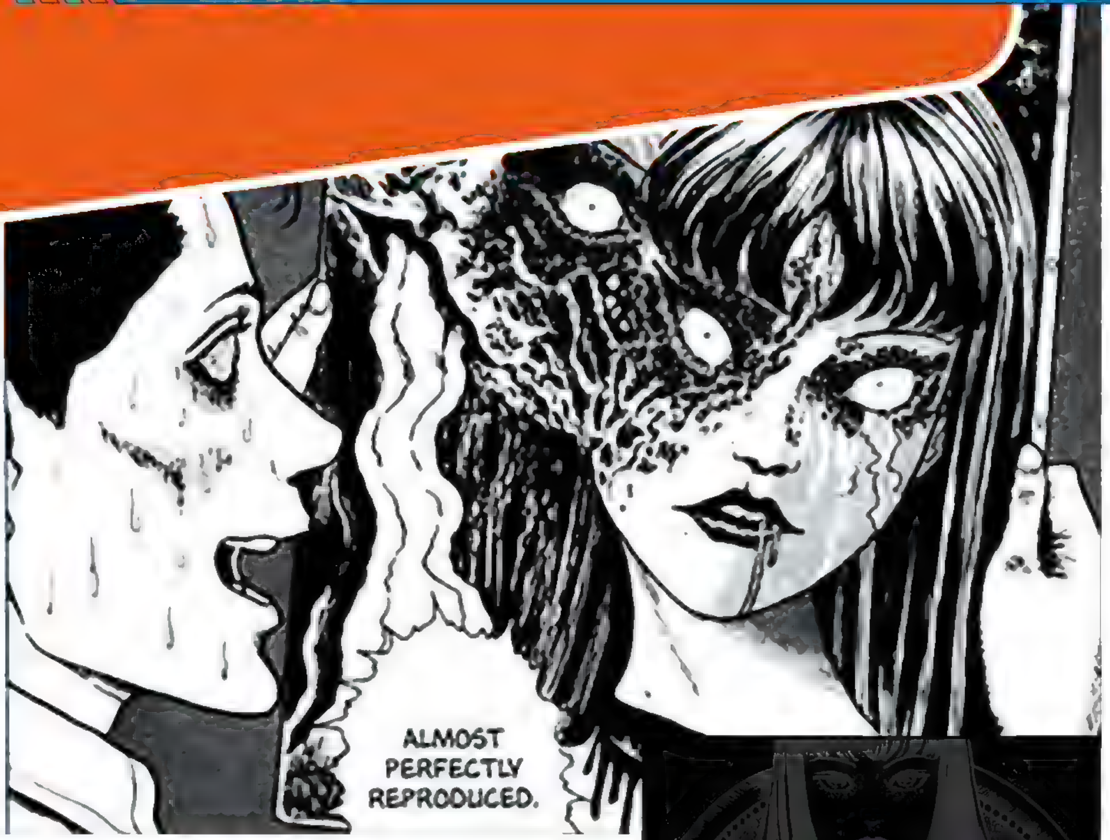
P: Are there any prose authors whose works you feel would lend themselves to the graphic novel format that you would like to publish? Or for that matter, and writer/artists whose work might translate to prose?

JE: Of course! Or television writers or screenwriters or videographers or anyone with a compelling and original story to tell, and the perseverance and dedication to get it done.

P: Who's your one "dream author" (living) you'd love to land at IDW?

JE: I would never give away any of the good ideas here, but I could imagine a cool anthology illustrating stories by Chuck Klosterman… or maybe David Sedaris. Have you noticed my taste for dark comedy yet?!

Junji Ito is one of Japan's greatest horror manga artists, creator of *Uzumaki* (about a town obsessed with spirals), *Gyo* (an invasion of zombie fish on land!), and perhaps his most sensational and unnerving series, this month's Staff Pick, *Tomie*... a series chronicling a girl who drives her stricken admirers to madness, while ruthlessly hunting down the clones of herself that continue to spring up from her own mutilated clone corpses!



ALMOST PERFECTLY REPRODUCED.

TOMIE COMPLETE DELUXE EDITION HC

Recommended by Sarah

Tomie transcends everything we know about beauty -- she's stunning from the top her head to the tips of her toes, and she loves you! Well, she lets you love her, but she *will* love you if you do this one tiny thing for her: please commit murder.

Junji Ito's girlfriend from hell has arrived here at VIZ in one deluxe hardcover volume for the first time. It'll look super-sweet next to your other VIZ Ito titles, *Uzumaki* (AUG131498) and *Gyo* (FEB151687). More than 750 pages of *Tomie* await you, and you'll need them all.

You see, it's not just any murder that Tomie needs from her lovers. She's after the complete eradication of all those *other* Tomies. Other Tomies? Yeah, here's the wrinkle: every time a Tomie is cut or dismembered (and it happens more often than you'd think!), she grows another Tomie. The new Tomie will be just as lovely and bewitching as the old one. She'll also be convinced she's the only true Tomie.

So strap in tight. Be prepared to defend your Tomie. And be ready to slaughter any other Tomie (or her poor brainwashed boyfriends!) that you meet. It's a long and twisty ride through a truly terrifying tour of old-school Japanese body horror.

SOLARMAN VOLUME 1 TP

Recommended by Trevor

SOLARMAN
SOLARMAN ILLIDGE DENEEN HARRIS DALHOUSE VOL. 1

You have to go back to the original *Solarman* that Marvel produced in the late 80s to really appreciate the level of work and insight Scout's creative team have put into reimagining this character. He was a bright orange, blonde-haired, Captain Planet-analog who was created to address the energy crisis of the 70s. The new *Solarman*, returning after a twenty-five year hiatus, is a fresh start for the character. With the full support of *Solarman* creator, David Oliphant, the new Ben Tucker is an African-American teenage hacker who is tackling modern issues and comes off like the voice of the 99% rather than a proponent for solar power. Before he even discovers his superpowers, Ben is targeting the wealthy and corrupt, antagonizing bullies, and standing up for the underdog

When a crew of astronauts on a space station encounter a piece of extraterrestrial technology, they are promptly attacked by a powerful alien and the technology is lost in the struggle. It crashes to Earth and Ben discovers it, exposing him to an energy field that imbues him with nuclear-based power. His powers come at a cost and that is another intriguing aspect of this take on the superhero genre. The powers don't make him better at sports or have more luck with the ladies or finally get to bring Flash Thompson down a peg or two, they throw Ben's life into total chaos. By the end of the first issue he is a fugitive from the law, fleeing an alien hunter, and dodging a paramilitary division gunning for the technology that gives him his power.

The biggest threat to Ben Tucker's survival is his own power.

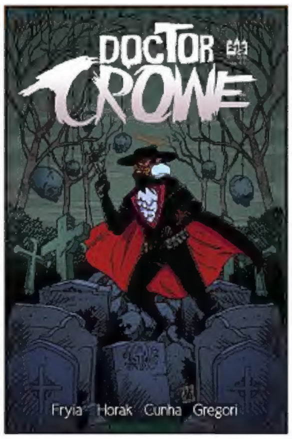
DOCTOR CROWE #1

Recommended by Jay



Dr. Victor Crowe, the mysterious expert on Victorian era tech and the occult, combines his two areas of knowledge to battle the supernatural the rest of us can never fully understand.

Formatted like a collection of his greatest campfire stories, the first issue of *Doctor Crowe* introduces the Doctor with three different tales of his most dangerous exploits. With the help of a brave and beautiful ally, the Doctor hunts the shadowy "bog men" to their cave lair and find there's a reason why men usually never return to tell the tale. In another time, the Doctor makes a house call to treat a dreadful and mysterious virus that plagues its victim with a side effect more hazardous than death. Lastly, the Doctor wakes up wounded from his latest battle against a coven of witches and recounts his story to a curious stranger but the only the Doctor knows that the end of the story has yet to be written.

Blending the theatrics of *The Shadow* with the varied mythos of *Hellboy*, Corey Fryia writes the dark side of "steampunk" with entertaining results. "Doctor Crowe knows what lies in the depths of darkness and only he has the remedy."

THE AVENGERS: STEED & MRS PEEL: THE DIANA MAGAZINE 1966-67 COLLECTION GN

Recommended by Steve

THE AVENGERS
STEED AND MRS PEEL

Mrs. Peel, you're needed! You too, Steed! John Steed, top professional, and his partner, Emma Peel, talented amateur, otherwise and forever known as The Avengers return in this collection of classic and hard-to-find comic stories.

As an *Avengers* fan for years I'd only been able to find two of the *Diana* magazines from the UK containing the *Avengers* strips so this is a must have for me. In the days before home video, VHS or Beta, much less DVDs, comic books were the only visual representation of your favorite shows. To get *The Avengers* as comics there were various annuals and here in the states there was a Gold Key comics but then nothing until BOOM!'s *Steed and Peel* which had potential and, recently, DC and BOOM!'s *Batman '66 / Steed and Peel* which captured the feel of the *Batman* series and the over-the-top final Emma Peel year of *The Avengers*, E-Urp !

In this collection of these beautifully drawn strips that ran at two pages a week from issues #199 to #224 featuring art by Emilio Frejo and assisted by Juan Gonzalez, the actual Avengers are there with umbrella, charm, and bowler hat in eight stories. The book also includes interviews with the actors of Big Finish's audio adaptations of the comics, Julian Wadham (John Steed) and Olivia Poulet (Emma Peel).

This will be a welcome addition to any *Avengers* fan collection of books. I know mine will be with my *Avengers* and *New Avengers Annual*, my books by Dave Rogers, and my signed copy of *Blind in One Ear*. A book even a Mother would love.
